I am presently studying to become a Psychologist. My plan is to become a licensed therapist and practice in my local community as a Marriage and Family Therapist and also as a School Psychologist. My hope is to be involved in the healing and assistance of our community, especially our youth in these trying times. Anxiety and Depression among young people is at an all time high and I want to be a part of the solution to assist in lifting them out of the predicaments they find themselves in. As a teenager dealing with depression and anxiety stemming from abuse, bullying, and the divorce of my parents, it was a School Psychologist who helped me when I had no one else to talk to. It is important to me that I give back to others in the same way I received and that has fueled my desire to become a Psychologist.
