County File:	CDSE22-00009
Applicant:	Ahmed Dubaih
Owner:	Matthew Pourabedin
Zoning/General Plan:	Planned Unit District (P-1) / Mixed-Use Low Density (MUL)
Site Address/Location:	3770 San Pablo Dam Road, El Sobrante, CA 94803 APN: 420-140-035
California Environmental Quality Act (CEQA) Status:	Categorical Exemption, CEQA Guidelines Section 15321, Categorical Exemptions, Class 21: Enforcement Actions by Regulatory Agencies
Project Planner:	Everett Louie, Planner III (925) 655-2873 and email: Everett.louie@dcd.cccounty.us
Staff Recommendation:	Revoke legal nonconforming status of tobacco retailing use (See Section II for Full Recommendation)

I. PROJECT SUMMARY

A hearing to consider if cause exists to revoke the legal non-conforming status for a tobacco retailing use located at 3770 San Pablo Dam Road in El Sobrante ("Subject Property"), known as Smoke Depot. In accordance with Section 26-2.2022 of the County Ordinance Code, the causes for revocation are as follows:

- (a) A failure to comply with the terms, limitations and condition of the permit;
- (b) The property is being used or maintained in violation of the zoning code;

- (c) The use for which the permit was granted has been so exercised as to be detrimental to the public health or safety or as to constitute a nuisance; and
- (d) A license required for the conduct of the business on the premises covered by the permit has been suspended or revoked.

Revocation of the legal non-conforming status for tobacco retailing from the Subject Property would require any future tobacco retailing from the Subject Property to comply with the current provisions of the County Tobacco Retailing Businesses Ordinance (Chapter 88-26). Because the subject property is located within 500 feet from three other tobacco retailers (ARCO at 3753 San Pablo dam Road; Food Stop at 3800 San Pablo Dam Road, Suite A; Jay Vee Liquor at 3640 San Pablo Dam Road.[school/park/other tobacco retailer], the Subject Property does not comply with the location requirements of the Tobacco Retailing Businesses Ordinance. As a result, revocation of the legal non-conforming status would prevent Smoke Depot, or any other tobacco retailing business located at 3770 San Pablo Dam Road in El Sobrante, from obtaining zoning approval for a tobacco retailing business in accordance with the Tobacco Retailing Businesses Ordinance, and would preclude the issuance of a tobacco retailers license from the County Health Department.

II. RECOMMENDATION

The Department of Conservation and Development, Community Development Division (CDD) staff recommends that the Zoning Administrator:

- A. OPEN the public hearing on the revocation of the legal non-conforming status for tobacco retailing use at the Subject Property RECEIVE testimony, and CLOSE the public hearing.
- B. REVOKE the legal non-conforming tobacco retailing use established under County File CDSE22-00009, based on the attached Findings.
- C. DETERMINE that the revocation of the legal non-conforming status is categorically exempt from CEQA under Section 15321, of the CEQA Guidelines.
- D. DIRECT staff to file a Notice of Exemption with the County Clerk.

III. GENERAL INFORMATION

- A. General Plan – The subject property land use designation is Mixed-Use Low Density (MUL) General Plan Land Use designation.
- B. Zoning District – The Subject Property is zoned Planned Unit District (P-1).

C. California Environmental Quality Act (CEQA) – The revocation of the legal non-conforming status is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15321, Categorical Exemptions, Class 21: Enforcement Actions by Regulatory Agencies, of the State CEQA Guidelines, which applies to actions by regulatory agencies to revoke an entitlement for a use issued by the County. Section 15321 exempts actions by regulatory agencies to enforce or revoke a lease, permit, license, certificate, or other entitlement use issued, adopted, or prescribed by the regulatory agency or enforcement of a law, general rule, standard, or objective, administered by the regulatory agency (County). Here, the County proposes to revoke a land use entitlement in the form of the legal non-conforming status for a tobacco retailing use at the Subject Property.

D. Prior DCD Files Related to the Property:

1. CDSE22-00009: A determination letter dated January 25, 2023, from Contra Costa County, Department of Conservation and Development determining that the retailing of tobacco products at the Subject Property is considered a legal nonconforming use under Section 88-26.406 of the County's Tobacco Retailing Business Ordinance (Chapter 88-26). (**Attachment B**.)
2. CDSE24-00006: An El Sobrante Administrative Permit to replace the copy/visual image of an existing roof mounted sign for "Smoke Depot" was approved on July 23, 2024.

IV. SITE/ AREA DESCRIPTION

The nonconforming tobacco retailing business is located at 3770 San Pablo Dam Road in the El Sobrante area of Contra Costa County (Subject Property) and is currently being operated under the business name Smoke Depot. The building is single story retail structure located on a 0.71-acre parcel which fronts on San Pablo Dam Road. There are two other buildings located on the Subject Property including a church and restaurant. All the buildings are separated by a parking lot which provides parking for all three uses. The parcel is approximately 102 feet west of the San Pablo Dam and Hillcrest Road intersection. The parcel is located within 500 feet of three other tobacco retailers on San Pablo Dam Road.

V. BACKGROUND

Jasmine Gifts and Tobacco operated continuously at the property since 1986. According to a Business Bill of Sale (Purchase Agreement) submitted with County File CDSE22-00009, the Jasmine Gifts & Tobacco business, was sold on May 20, 2022 and renamed Smoke Depot. Tobacco retailer's licenses are nontransferable. (Ordinance Code, Section

445-10.010(c).) Because tobacco retailer's licenses are nontransferable, Smoke Depot was required to apply for and obtain a new valid tobacco retailer's license.

On December 9, 2022, an application was submitted to the Department of Conservation and Development for a proposed tobacco retailing business to be located at the Subject Property. In a determination letter dated January 25, 2023, the County determined that the retailing of tobacco products at the subject property was considered a legal nonconforming use under Chapter 88-26.406 of the County's Tobacco Retailing Business Ordinance (Chapter 88-26). (See **Attachment B** - CDSE22-00009 Determination Letter). The legal nonconforming determination authorized the applicant to apply for a tobacco retailers license from the County Health Department, but a valid tobacco retailer's license was never obtained nor issued.

Nonetheless, Smoke Depot began to sell tobacco and tobacco products from the premises without having obtained a new and valid tobacco retailer's license from the County Health Department. In or around November 2022, the County began receiving complaints from community members alleging illegal activities occurring at Smoke Depot, including the sale of prohibited tobacco products and unlicensed cannabis sales. To verify these complaints, the Contra Costa County Sheriff's Department (Sheriff) conducted an inspection on November 9, 2022 and confirmed that (i) Smoke Depot was selling tobacco products despite not holding a valid County tobacco retailer's license, and (ii) Smoke Depot was selling illegal tobacco and other products. (See **Attachment C** – Sheriff's Inspection Report). Staff notes that the inspection reports incorrectly state that Smoke Depot had obtained a tobacco retailer's license; but that is incorrect. The County Health Department has confirmed that no valid tobacco retailer's license was ever obtained or issued for Smoke Depot at the Subject Property. See **Attachment E**.

Between 2023 and 2024, the County Health Department contacted Smoke Depot numerous times advising Smoke Depot on the County's Tobacco Retailing Ordinance and informing Smoke Depot of the need to obtain a new valid tobacco retail license. Smoke Depot applied for a tobacco retail license, but did not discontinue selling prohibited tobacco products while their application was processing. At no point did Smoke Depot receive a new valid tobacco retail license from the County Health Department. As a result of Smoke Depot's illegal tobacco sales, the County Health Department cited Smoke Depot for operating a tobacco retail business without a valid tobacco retail license and for selling prohibited tobacco products and other illegal contraband.

On January 27, 2023, the County Health Department issued an Administrative Penalty Notice of Fine to Smoke Depot for violations including operating without a valid tobacco retailer's license, for selling illegal tobacco products, and inadequate signage required to protect minors. See **Attachment G**. The Notice of Fine became a final administrative order when it was not appealed by Smoke Depot.

On April 24, 2024, the County Health Department issued Smoke Depot a Notice of Suspension Hearing for Smoke Depot's pending tobacco retail license application. (**Attachment D**.) On June 11, 2024, Contra Costa Health Department held the Suspension Hearing. At the Suspension Hearing, Dr. Sefanit Mekuria, the Contra Costa County Medical Director and the Deputy Health Officer, determined that Smoke Depot had been operating without obtaining a new, valid tobacco retailer's license and that illegal tobacco products were being sold from the Subject Property. As a result, the Public Health Director suspended the processing of Smoke Depot's current tobacco retail license application and prohibited all tobacco retailing at the Subject Property. On June 26, 2024, a written Notice of Decision was sent to the Smoke Depot informing them of the decision and appeal instructions. (See **Attachment E**). No appeal was filed within 30 days of the Contra Costa Health Department's decision, and the decision became final. A detailed timeline of the County Health Department's communications with and enforcement actions related to Smoke Depot is attached as **Attachment H**.

VI. STAFF ANALYSIS:

When cause can be shown, Chapter 26-2 of the County Ordinance Code allows the Department of Conservation and Development to revoke a land use entitlement, with issuance of written findings, following a public hearing. County Ordinance Code, Section 26-2.2022, provides that a land use entitlement may be revoked based on specific grounds provided in the code. The grounds for revocation along with the required findings are provided below.

Required Finding #1: Failure to comply with any term, limitation or condition of the permit.

Finding #1: County File #CDSE22-00009 determined that the retailing of tobacco products at the Subject Property was considered a legal non-conforming use and established that Smoke Depot would need to abide by County Ordinance Code Section 88-26.406(b), which governs nonconforming tobacco retailing uses. Section 88-26.406(b) requires all nonconforming tobacco retailing uses to maintain a valid tobacco retailer's license and that the nonconforming tobacco retailing use may not be increased, enlarged, or expanded.

First, Smoke Depot failed to obtain a tobacco retailer's license and as such, did not comply with the requirement. Since January 2023, the Health Department has issued multiple notices determining that Smoke Depot was operating without obtaining a new, valid tobacco retailer's license, including a Administrative Penalty Notice of Fine dated January 27, 2023, and a Notice of Decision dated June 26, 2024 following a suspension hearing. (See **Attachment G** – Notice of Fine; see also

Attachment D - Contra Costa Health Notice of Suspension Hearing, April 24, 2024; see also **Attachment E** - Contra Costa Health Notice Of Decision, June 26, 2024). Failure to obtain and maintain a valid tobacco retailer's license is a failure to comply with the conditions of maintaining a legal non-conforming status for a tobacco retailing use under CDSE22-0009 and Ordinance Code, Section 88-26.406(b).

Second, Smoke Depot actively expanded the tobacco products sold onsite to include prohibited items such as flavored tobacco products, other prohibited Tobacco products, and illegal contraband. Sheriff department citations from November 9, 2022, April 18, 2024, March 7, 2025, and April 29, 2025 (**Attachment C**) and Health Department site inspection records from April 18, 2024 (**Attachment F**) cite the following violations by Smoke Depot related to products sold at the Subject Property:

- a. Selling flavored tobacco products, including menthol cigarettes, in violation of County Ordinance Code, Section 445-6.006.
- b. Selling small pack of cigars in violation of County Ordinance Code, Section 445-6.010.
- c. Selling single cigars in violation of County Ordinance Code, Section 445-6.010.
- d. Selling electronic smoking devices in violation of County Ordinance Code, Section 445-6.014.
- e. Selling drug paraphernalia, including mushrooms and cannabis in violation of County Ordinance Code, Section 445-10.018(a); 21 U.S. Code, Section 863; Cal. Health and Saf. Code, Sections 11364.5 and 11377.

Each of these violations is in direct violation of CDSE22-0009 and Ordinance Code, Section 88-26.406(b) which prohibits the expansion of the nonconforming tobacco retailing use. Therefore, County Staff recommends the Zoning Administrator revoke the legal non-conforming status for tobacco retailing use at the Subject Property.

Required Finding #2: The property or portion thereof subject to the permit is used or maintained in violation of any requirement of this code.

Finding #2: CDSE22-00009 and County Ordinance Code Section 88-26.406(b) require Smoke Depot to maintain a valid tobacco retailer's license in order to maintain its legal non-conforming status. Evidence submitted by the Health Department (**Attachment D**, **Attachment E**, and **Attachment F**) and Sheriff's Department (**Attachment C**) indicate that Smoke Depot was operating without a valid tobacco retailer's license and conducting the sale of prohibited or illegal tobacco and cannabis products. Thus, Smoke Depot was in direct violation of County Code 88-26.406(b). Additionally, the Health Department and Sheriff cited Smoke Depot on multiple occasions for violations of the County's Secondhand

Smoke and Tobacco Product Control Ordinance (Division 445 of the County Ordinance Code). Specifically, Smoke Depot has been cited for the following violations:

- a. Selling flavored tobacco products, including menthol cigarettes, in violation of County Ordinance Code, Section 445-6.006.
- b. Selling small pack of cigars in violation of County Ordinance Code, Section 445-6.010.
- c. Selling single cigars in violation of County Ordinance Code, Section 445-6.010.
- d. Selling electronic smoking devices in violation of County Ordinance Code, Section 445-6.014.
- e. Selling drug paraphernalia, including mushrooms and cannabis in violation of County Ordinance Code, Section 445-10.018(a); 21 U.S. Code, Section 863; Cal. Health and Saf. Code, Sections 11364.5 and 11377.

Therefore, County Staff recommends the Zoning Administrator revoke the nonconforming tobacco retailing status for Smoke Depot.

Required Finding #3: The use for which the permit was granted has been so exercised as to be detrimental to the public health or safety or as to constitute a nuisance.

Finding #3: Violations of the County Code may be detrimental to public health and safety as the Ordinance Code exists to maintain public health and safety by requiring compliance with relevant regulations. Failure to abide by the Ordinance Code may create unsafe situations or public nuisances for members of the public. Smoke Depot was cited numerous times for violations to County Ordinance Code 445-6 (County's Tobacco Retail Sales Ordinance) for the following:

- Retailing tobacco without a valid tobacco retailer's license – Violation of 445-10.010(c) and 88-26.406(b). (See **Attachments D and E**).
- Flavored Tobacco Products on display and offered for sale – Violation of 445-6.006. (See **Attachment F** – Health Department Site Visit Photos for photo evidence and **Attachment C** – Sheriff's Inspection Report).
- Menthol Cigarettes on display and offered for sale – Violation of 445.6.006. (See **Attachment F** – Health Department Site Visit Photos for photo evidence).
- Electronic smoking devices on display and offered for sale – violation of 445-6.014. (See **Attachment C** and **Attachment F** – Health Department Site Visit Photos for photo evidence).

The operation of a tobacco business without a tobacco retailer's license in Contra Costa County directly violates all ordinances put in place to maintain the health

and safety of the public and therefore is considered to be detrimental to the public health and safety. Thus, County Staff recommends the Zoning Administrator revoke the nonconforming tobacco retailing use for Smoke Depot.

Required Finding #4: A license required for the conduct of the business on the premises covered by the permit has been suspended or revoked.

Finding #4: In order for a retailer, individual, or entity to conduct tobacco retailing in the unincorporated area of Contra Costa County, the retailer, individual, or entity must first obtain and maintain a valid tobacco retailer's license from Contra Costa County for the location where tobacco retailing is being conducted. On April 24, 2024, Contra Costa Health issued a Notice of Suspension Hearing for Smoke Depot. (**Attachment D**). The Notice cited multiple violations of the tobacco retailer's license ordinance and informed Smoke Depot that the Public Health Director will hold a License Suspension Hearing on June 11, 2024. At the June 11, 2024, License Suspension Hearing, the Contra Costa County Medical Director and Deputy Health Officer determined that Smoke Depot was operating without a new, valid tobacco retailer's license, in direct violation of the County Ordinance Code, Section 445-10.002. Accordingly, the Public Health Director suspended Smoke Depot's application for a new tobacco retailer's license and ordered the immediate cessation of all retailing of tobacco products at the Subject Property. (**Attachment E**.) Despite the Public Health Director's order, Smoke Depot has continued to sell tobacco products at the Subject Property. (**Attachment C**.) Therefore, County Staff recommends the Zoning Administrator revoke the nonconforming tobacco retailing use for Smoke Depot.

A. Violation of Chapter 88-26 – Tobacco Retailing Businesses

Smoke Depot, located at 3770 San Pablo Dam Road in El Sobrante, California, is a tobacco retailing business located within 500 feet of another tobacco retailing business, and within 1,000 feet of a school, park and playground, contrary to the provisions of Sections 88-26.402(a) and (b). However, because Smoke Depot existed under a different name and ownership (Jasmine Gifts & Tobacco), as a lawful tobacco retailing business prior to 2017 when the relevant Ordinance Code chapter became effective, DCD previously determined, under County File CDSE22-00009, that the retailing of tobacco products at the subject property was considered a legal nonconforming use where tobacco retailing of normal tobacco products were sold. Smoke Depot's legal nonconforming status is considered a form of special permit as it allows it to operate at the current location despite its nonconformance with the County Ordinance Code's tobacco retailing business location restrictions.

Nonconforming tobacco retailing use is subject to the County Ordinance Code, Section 88-26.406(b), which requires a nonconforming tobacco retailer to "maintain in full force

and effect all applicable permits and licenses, including a County tobacco retailer's license." Smoke Depot violated County Ordinance Code, Section 88-26.406(b) because Smoke Depot was operating the establishment without obtaining a new, valid tobacco retailer's license. Evidence of non-compliance include **Attachment D** (Contra Costa Health Notice of Suspension Hearing) which identified that the Subject Property does not have a valid County tobacco retailer's license. Furthermore, Smoke Depot was also identified as operating without a new, valid County tobacco retailer's license in **Attachment E** (– Contra Costa Health Notice of Decision). Staff included the relevant section from the Notice of Decision below (Box 1.1) which states that Smoke Depot has not maintained in full force and effect a valid tobacco retailer's license with the Contra Costa County Health Services.

Box 1.1

After considering the testimony and evidence, the Director makes the following factual findings:

1. The above-named retailer purchased the Smoke Depot, located at 3770 San Pablo Dam Road, El Sobrante, CA, in or around August 2023 and has been operating the Smoke Depot without obtaining a new, valid tobacco retailer's license. It is

Smoke Depot also violated County Ordinance Code, Section 88-26.406(b), which states "the nonconforming tobacco retailing use may not be increased, enlarged or expanded." As stated in CDSE22-00009, Smoke Depot was determined to only be allowed to retail tobacco products as defined under 445-2.006(u). However, Smoke Depot increased, enlarged and expanded the tobacco products sold at the business to exceed the definition of "tobacco product" as listed in the County Ordinance Code. In the April 18, 2024, site visit performed by the Health Department, Health Department Staff identified that Smoke Depot had expanded its retail sales to include the following tobacco related items: (Photos can be found in **Attachment F** – Health Department Site Visit Photos 4.18.2024).

- Flavored tobacco products. (not allowed under County Ordinance Code, Section 445-6.006);
- Menthol Cigarettes. (not allowed under County Ordinance Code, Section 445-6.006);
- Electronic smoking devices and e-liquids. (not allowed under County Ordinance Code, Section 445-6.014).

Because Smoke Depot is in direct violation with County Code Section 88-26.406(b) (requiring retailers to maintain a valid County tobacco retailer's license with the Contra Costa County Health Services) and because Smoke Depot has increased, enlarged and

expanded the tobacco retailing use including selling flavored tobacco products, menthol cigarettes and electronic tobacco smoking devices, Smoke Depot no longer qualifies as a nonconforming tobacco retailing use.

VII. CONCLUSION

Based on the evidence provided in this Staff Report and associated attachments, revocation findings, and evidence discovered during inspections by County Staff, the Department of Conservation and Development Staff recommends that the Zoning Administrator revoke the nonconforming tobacco retailing use located at 3770 San Pablo Dam Road in El Sobrante pursuant to the findings in **Attachment A**. Furthermore, Staff has determined that the use has been exercised as to be detrimental to the public health, safety, and welfare, and the manner of operation is creating a public nuisance.

Smoke Depot
3770 San Pablo Dam Road
El Sobrante, CA 94803

RE: Updated Zoning Determination for Tobacco Retailer (Smoke Depot)
Site Address: 3770 San Pablo Dam Road, El Sobrante, CA 94803
County File #CDSE22-00009 APN: 420-140-035 (Zoning: P-1/GP: M-13)

Dear Smoke Depot:

This letter is in response to an El-Sobrante P-1 administrative review request submitted to the Department of Conservation and Development on December 9, 2022, for a proposed tobacco retailing business to be located at 3770 San Pablo Dam Road in the El Sobrante area.

The establishment of a proposed tobacco retailing business (Smoke Depot) at the property identified above has been reviewed for compliance with County zoning regulations. The zoning determination of the Department of Conservation & Development is provided below.

El Sobrante P-1 (Planned Unit) District Zoning Consistency

The Department of Conservation and Development, Community Development Division (CDD), has determined that, based on the application materials submitted on December 9, 2022, the proposed retail business (Smoke Depot) is a permitted use within the San Pablo Dam Road Mixed Use (M-13) Land Use District and is consistent with the intent and purpose of the El Sobrante P-1.

Tobacco Retailing Businesses Ordinance (Ord. 88-26)

Based on additional information submitted to CDD on January 24, 2023, it has been shown that the subject property, 3770 San Pablo Dam Road in El Sobrante, was established as a tobacco retailer since at least December 1, 1986, operating as Jasmine Gifts & Tobacco. Historical business license and tobacco retail licenses for Jasmine Gifts & Tobacco were provided as evidence showing that both licenses have been maintained for the site up to the current date. Thus, the retailing of

tobacco products at the subject property is considered a nonconforming use under Chapter 88-26.406 of the County's Tobacco Retailing Businesses Ordinance (Chapter 88-26).

Please note that no evidence has been submitted to the Department of Conservation and Development that indicate that 3770 San Pablo Dam Road was operating as a *"significant tobacco retailing business"*. Therefore, the establishment of a significant tobacco retailing business is not allowed at this location. County Ordinance Code 88-26.204 defines a significant tobacco retailing business as follows: *"...any tobacco retailing business for which twenty percent or more of floor or display area is devoted to tobacco products, tobacco paraphernalia, or both."*

Additionally, no signage was reviewed or approved within this determination letter. Any proposed signage will be subject to the review and approval by the Department of Conservation and Development.

Please be aware that this determination letter does not constitute a building permit for any tenant improvements. Additionally, this approval does not constitute a business license. It is the responsibility of the business owner to obtain a business license from the County prior to engaging in commercial activities at the subject property. Attached hereto is a property use verification form needed to obtain your business license from the County Tax Collector.

Narrative

On 04/29/2025 at approximately, 1910 hours, I was on duty, employed by the California Highway Patrol, assigned to the Contra Costa County Sheriff's Violence Suppression Unit (VSU). I, along with my VSU partners, were conducting Tobacco Retail Inspections within Contra Costa County. We were in plain clothes, identified by departmental badges hanging from a chain around our necks.

We conducted an inspection at Smoke Depot, located at 3770 San Pablo Dam Road, El Sobrante, CA 94803. Based on previous conversations with VSU detectives, I know Smoke Depot to consistently be in violation of County ordinances regarding the sale of Tobacco. Additionally, on 03/07/2025, Detective Ward issued a citation to Bazel Alqadhi for 11359(b) H&S.

Upon contacting the worker, later identified as Bazel Sadeq Alqadhi, Alqadhi was uncooperative and became increasingly aggressive towards detectives. Alqadhi was advised by VSU Detectives of the Tobacco Inspection, and reminded him that he was cited during the previous inspection VSU Detectives conducted. Alqadhi attempted to retreat into the back room of the shop, and was asked to reposition to the front of the shop. Alqadhi continued to be disrespectful and aggressive towards Detectives and was uncompliant. He used several profanities toward law enforcement and refused to answer any questions regarding the tobacco sales in the store.

While searching for the proper licenses, multiple individual packages of Marijuana were located behind the counter. Below the packages, a box of U.S. Currency, totaling \$285 was located. In the backroom, a white backpack was located on the floor. Inside the backpack additional individual packaged Marijuana was located, along with a large plastic bag containing processed Marijuana buds. During my inspection, I was unable to locate all of the appropriate

license's required to sell tobacco and/or marijuana products.

Additionally, while searching the backroom, a previous Tobacco Retail Inspection Checklist was located. The checklist showed Smoke Depot had multiple violations, including drug paraphernalia and the selling of Cannabis Products.

During a search of the backroom, a hidden compartment was located behind shelving affixed to the wall. Inside the hidden compartment, additional banned products were located, including Vapes and other flavored tobacco.

In the front of the store, I observed glass pipes, which based on my training and experience, I know to be commonly used as drug paraphernalia, which Smoke Depot was previously provided warnings about.

Based on my observation of the individual packaged Marijuana, the U.S. Currency separated from the cash register, and Alqadhi being cited previously for 11359(b) H&S, I determined that Bazel Sadeq Alqadhi was again in violation of 11359(b) H&S.

The prohibited products were seized, including Marijuana. All of the products were later booked into Sheriff's evidence.

You may appeal this fine by filing a written appeal with the Contra Costa County, Department of Health Services, Public Health Division, at 597 Center Ave, Suite 110, Martinez, CA 94553, within 15 calendar days of the date of mailing of this notice. The written appeal must contain:
