Please explain why you would like to serve on this particular board, committee, or commission.

I have lived and worked in CCC for the past 39 years. I am very active professionally in the Early Childhood Community and I would like to contribute more to my community/county. My children were raised in CCC and I now have two grandchildren attending child care in the county. My professional work is throughout the county but with a focus on low-income families in east and west county. I also have taught at and work closely with the community colleges in the preparation of early educators. I believe the Local Planning and Advisory Council (LPC) is uniquely suited to my interests - making recommendations that impact children and their families in the county.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume).

I have worked for the YMCA of the East Bay for 21 years, first as VP/Exec Director and more recently as Director of Strategic Funding and Partnerships, overseeing an early educator apprentice program. Prior to that I did statewide training and technical assistance with WestEd on including children with disabilities in child care programs. I have been very active on state and national committees. As a parent, grandparent and professional in the field, I am uniquely qualified to sit on this board. My commitment to serving underserved populations is one of the reasons I feel it is important to contribute my time and energy to the LPC. In addition, my education and experience can contribute to the work of the LPC.
