Patriots Jet Team Foundation

Who is the Patriots Jet Team Foundation (PJTF)

The **Patriots Jet Team Foundation (PJTF)** is an all-volunteer, non-profit group that has served the community for over a decade – offering students valuable & life changing experiences.

We get students excited about **Aviation, Space, and STEM** subjects and careers through our school outreach programs, learning center activities, mentorship, and scholarships.

We engage 5,000 students annually from 30 schools across the Bay Area / Central Valley.

- Offer free, innovative, and hands-on programs designed to apply new concepts to real world examples.
- Instill the importance of leadership, teamwork, commitment, and community service.
- Success due to holistic, community-based approach – involving teachers, parents, and educational partners.
- All-volunteer, non-profit 501(c)(3) so funding goes directly to support programs, activities, and scholarships.
- Volunteers are one of our most valuable resources. **Get involved today!**

Learning Center Activities

Introduction to Aviation

Flight Simulator Center

EAA Young Eagles

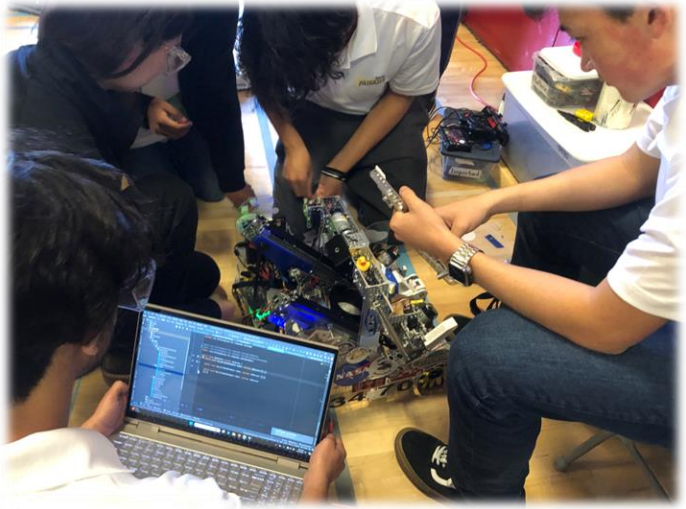
Next Generation Aviation

School Outreach Programs

Air Rocket Competitions

High Altitude Balloon

Robotics



Aerospace Courses
