

COUNCIL ON HOMELESSNESS

May 1, 2025 from 1:00-3:00

WELCOME

Nicole Green, *Chair & Reentry Services Representative*

Purpose of the Meeting: *These are monthly meetings for the Council on Homelessness (COH) to conduct the business of the Council. The Council is the planning body that coordinates the community's policies, strategies, and activities toward preventing and ending homelessness in Contra Costa County.*

IN-PERSON / HYBRID MEETING

- As of March 1, 2023, all Council on Homelessness Meetings and CoH Committee meetings are required to convene in person or in a hybrid format
- All CoH members must attend in person unless using a “just cause” exemption

Just Cause

- A need to care for a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner
- A contagious illness that prevents a member from attending in person;
- A need related to a physical or mental disability that is not otherwise accommodated for; or
- Travel while on official business of the body or another state or local agency.

Emergency Circumstances

- A physical or family medical emergency that prevents a member from attending in person.

VIRTUAL ATTENDANCE EXEMPTION

HYBRID MEETING NORMS

Nicole Green, *Chair & Reentry Services
Representative*

HYBRID MEETING NORMS

1. Raise your hand (actual or virtual) before speaking
2. Say your name before speaking and try to speak as clearly as you can
3. 2-minute timer for public comments
4. Make and take space – consider your privilege and the other voices who are in and not in the room
5. Minimize distractions like side conversations and cell phone use
6. Maintain a safe and respectful environment, even when disagreeing
7. If in-person meeting is interrupted for an emergency, the meeting will be suspended or cancelled, case-by-case basis.

HYBRID MEETING NORMS

An individual may be asked to leave should they behave in a manner that threatens the safety of the group or does not honor these meeting norms.

POLL – WHO'S IN THE ROOM?

- 1) How many Council on Homelessness meetings have you attended?
- 2) Do you have lived experience of homelessness?
- 3) What best describes your racial identity?

PUBLIC COMMENT

Nicole Green, *Chair & Reentry Services
Representative*

CONSENT CALENDAR

Nicole Green, *Chair & Reentry Services
Representative*

CONSENT CALENDAR

- Items on the consent calendar are **generally non-controversial and do not require much, if any, discussion**
- Enables grouping such items together and **deciding on them at one time**
- Council members and the public can **remove an item** from the consent calendar if they **desire to discuss the item by informing the Chair**

Source: <https://www.ca-ilg.org/resource/concept-consent-calendar>

ACTION ITEM

Approve the **consent calendar** items as listed:

- Approve minutes from the April 3, 2025 Council Meeting
- Approve staff report for the May 1, 2025 Council Meeting

COMMITTEE REPORT OUTS

Youth Advisory Board – Juno Hedrick, *Vice Chair and Lived Experience Advisor*; Leon Saelee, *YAB Lead and Member*; Anastasia Lockwood, *YAB Facilitator and Member*

Nominating Committee – Jaime Jenett, *H3*

**YOUTH
ADVISORY
BOARD
(YAB)**

Juno Hedrick, *Lived Experience Advisor and Vice Chair*

Leon Saelee, *YAB Lead & Member*

Anastasia Lockwood, *YAB Facilitator & Member*

YAB APRIL MEETINGS

YAB Subcommittees
Meetings:
Communications and
Outreach &
Retention.

YYA Community
Strategic Planning:
Core and
Implementation
Committees.

CE Housing Needs
Assessment Redesign
Steering Committee.

Bimonthly hybrid YAB
Meetings at H3
Offices in Concord
and RYSE Center in
Richmond.

YAB APRIL ACTIVITIES

UC Berkeley Innovative Approaches to Youth Engagement in Policy, Democracy, and Participatory Research.

Public Comment during Measure X Community Advisory Board Meeting on April 16.

YAB-only spaces, restorative work, community building—field trip to Japantown!

NEXT STEPS

Introduce and utilize SMART goals within each YAB Committee.

Continued collaboration with Rainbow for workshop development and YAB meeting space.

Meeting with Contra Costa Health, Community, Education, and Information to support Communications Committee and social media presence.

Continued participation in the Housing Needs Assessment Committee, and Strategic Planning Core and Implementation Committees.

Improve collaboration with CoH Oversight Committee with YAB report out at each meeting.

Wait for HUD Youth Homeless Demonstration Program FY 2024 NOFO to be re-released!

**NOMINATING
COMMITTEE**

Jaime Jenett, *H3*

CITY GOVERNMENT REPRESENTATIVE SEAT

- Jazmin Ridley stepped down from City Government Representative
- Soliciting 3-5 COH members to form Nominating Panel to review applications and nominate replacement
 - Likely week of 5/26, with COH voting at 6/5 meeting
- Likely 2-5 hours of time

OLD BUSINESS

Funding Updates - Jamie Schechter, *H3*

**Discuss and Approve 2025 Quarter 1
Council on Homelessness
Recommendations for Report to County
Board of Supervisors (ACTION ITEM)** –
Jaime Jenett, *H3*

Conference Report Outs – Jamie Schechter,
H3

FUNDING UPDATES

Jamie Schechter, *H3*

FUNDING UPDATES - HOUSING AND HOMELESSNESS SERVICES RFP

- Board of Supervisors approved recommendations at April 15, 2025 [meeting](#)
- Nearly \$6.6 million in federal, state, and local funding awarded.
- All contracts to start July 1, 2025 or later
- Sign up for Funding Opportunity updates through the [CoC Newsletter](#)

FUNDING UPDATES – COC FUNDING

- In March 2025, CoC grantees began receiving award letters. Depending on program year, some agencies began receiving grant agreements.
- The funding amounts announced in January were preserved
- HUD significantly changed language in grant agreements to enforce compliance with executive orders
- The [National Alliance to End Homelessness](#) recommends seeking legal counsel to review grant documents, however many non-profit entities do not have access to free or affordable legal counsel

FUNDING UPDATES – COC FUNDING

Contract language changes include

- Prohibits the use of grant funds to promote “gender ideology,” as defined in EO 14168.
- Restricts the use of grant funds for elective abortions, following EO 14182.
- Prohibits state and local governments receiving these funds from using them to support undocumented immigrants or policies that prevent their deportation.
- Mandates that grant recipients verify the immigration status of those receiving federal benefits and deny services to those deemed ineligible.

FUNDING UPDATES – MISCELLANEOUS

- AB 109 funding
- Homeless Housing Assistance and Prevention (HHAP) Round 6 – application due August 2025
- United States Interagency Council on Homelessness (USICH) reduced to “minimum presence and function required by law” by Executive Order on March 14, 2025.

**DISCUSS AND
APPROVE 2025
QUARTER 1 COUNCIL
ON HOMELESSNESS
RECOMMENDATIONS
FOR REPORT TO
COUNTY BOARD OF
SUPERVISORS**

Jaime Jenett, *H3*

RECOMMENDATION

- Publicize CCH/Contra Costa Library "Homelessness 101" events in district newsletters when quarterly event falls in their district.
- Other?

ACTION ITEM

- Approve 2025 Quarter 1 Council on Homelessness Recommendations for the Report to the County Board of Supervisors

**UPDATE:
SYSTEM
PERFORMANCE
MEASURES**

Jamie Schecter and Kimberly Thai, *H3*

FY24 SYSTEMWIDE PERFORMANCE REPORT

- System Performance Measures (SPMs) established in 2015 by HUD
- October 1st through September 30th
- Used at federal level to determine funding for the CoC
- Used at local level to identify trends, understand impacts from program or policy changes, and to guide decision-making
- Looks at entire system, not individual programs or project types
- Does not allow for understanding differences across sub-populations

7 KEY MEASURES

1. Measure One: Length of Time Homeless
2. Measure Two: Returns to Homelessness
3. Measure Three: Number of People Experiencing Homelessness
4. Measure Four: Increase in Income
5. Measure Five: First Time Homeless
6. *Measure Six: Prevention Outreach**
7. Measure Seven: Positive Outcomes

**No data available on Measure Six. Measure Six is only available to [High Performing Communities](#)*

HOW TO USE SPM FINDINGS

- Understand how the CoC has changed over time
 - Consider changes in funding sources, priorities, initiatives
 - Consider influences outside of the CoC like housing capacity and economic shifts
- Use the Program Model Performance Measures dashboards to understand performance measures at program level
- Set SPM goals for the CoC

Measure One: Length of Time Homeless

- Measure 1A: Average number of days in emergency shelter and transitional housing until exits to permanent housing
- Measure 1B: Average number of days in ES/TH/RRH/PSH (prior to move in), plus self-reported days homeless prior to enrollment, until exit to permanent housing

Measure 1A:
only includes
days enrolled in
ES or TH

Measure 1B:
includes self-
reported
homelessness
prior to
enrollment

Measure Two: Returns to Homelessness

- Identifies all people who exited homelessness to permanent housing and returned to homeless programs within 24 months and during FY24

15% of people who exited to permanent housing two years prior to FY23 returned to homelessness during FY23
In FY24, that proportion increased to 17.7%

Measure Two: Returns to Homelessness

Measure Two: Proportion of Permanent Housing Exits that Returned to Homelessness by Program Model Category

Measure Three: Number of Homeless Persons

- **Measure 3A: number of unsheltered people identified in PIT (not yet analyzed for FY24)**
- Measure 3B: number of people in emergency shelters and transitional housing served in HMIS during FY24

2,056 people served in emergency shelter and transitional housing in FY24

Measure Four: Employment and Income Growth

- Measure 4A: number of “system-stayers” with increased income
- Measure 4B: number of “system-leavers” with increased income
- Measure 4 only looks at cash income, does not include non-cash benefits like SNAP

Measure Five: First Time Homelessness

- Measure 5A: number of people enrolled into emergency shelter or transitional housing during FY24 with no prior enrollment during the previous 24 months
- Measure 5B: number of people with enrolled into emergency shelter or transitional housing, rapid rehousing, or permanent housing with no prior enrollment

Measure Six: Homeless Prevention – Not available

- Assesses whether people who accessed prevention programs 12 months prior to the report period returned with homeless status during FY24
- Only available for designated High Performing Communities
- To be designated a High Performing Community, must demonstrate the following milestones, among many other requirements
 - Mean length of time homeless for individuals and families is less than 20 days OR
 - Mean length of time homeless for individuals and families is at least 10% lower for the most recent federal fiscal year compared to the previous year.

AND

- Rate of returns to homelessness is fewer than 5% OR
- Rate of returns to homelessness is at least 20% lower for the most recent federal fiscal year

Measure Seven: Successful Outcomes

- Measure 7A: proportion of people served in **street outreach** with exits to interim housing or permanent housing
- Measure 7B: proportion of people served in **emergency shelter or transitional housing** with exits to permanent housing
- Measure 7C: proportion of people served in **permanent supportive housing** with retention in housing or exits to other permanent housing

Measure Seven: Successful Placements

Measures 7A, 7B, and 7C: Percent of Positive Exits by Program Model Category, FY24

*numbers less than 11 not reported for patient privacy

On August 13, 2024, Contra Costa Interim Health Director, Dr. Ori Tzvieli, presented mortality data from the County's ATLAS dashboard, covering 2020 to 2022.

- Drug overdose emerged as the leading cause of death among residents aged 25 to 54.
- Residents aged 15 to 24, ranked as second leading cause of death.

These patterns highlight the need for interventions to address opioid misuse and prevent overdose fatalities across all age groups.

Any Opioid-Related Overdose Deaths - Contra Costa County, Prelim. 2023
Age-Adjusted Rate per 100,000 Residents

Opioid Overdose Risk Across County

- Age-adjusted death rates shown by ZIP code for 2023
- Age adjustment accounts for population differences across regions
- Enables accurate comparison of overdose risks across communities

Key Findings

- Richmond (rate: 48.6, per 100,000) and Antioch (rate: 42.3 per 100,000) report highest overdose death rates
- Elevated rates also observed in Pittsburg, Oakley, Bay Point, and parts of Concord and South County

Any Opioid-Related Overdose ED Visits - Contra Costa County by Race/Ethnicity, 2023

Age-Adjusted Rate per 100,000 Residents
Low counts and wide confidence

Key Findings

- Focus prevention, harm reduction, and treatment resources in high-risk ZIP codes
- Expand culturally responsive services targeting Black, Native American, and Latino communities
- Strengthen data-driven, equity-focused interventions
- Understanding geographic and racial patterns is key to a more effective and equitable opioid response.

LOCAL NEWS

Man Found Dead Inside Bathroom At Concord BART Station

June 28, 2023 - 10:01 AM • 68 comments

A man was found dead inside the bathroom at the Concord BART station on Tuesday, according to BART officials.

Just after 3 p.m., Officers located an adult male who appeared to be suffering from an apparent drug overdose in the bathroom.

The officers administered two doses of NARCAN and summoned for medical assistance.

LOCAL NEWS

Man Dies Of Apparent Drug Overdose On BART Train In Dublin – Authorities Administer NARCAN To Another Drug User At Pleasant Hill BART

July 3, 2023 - 3:00 PM • 0 comment

A person died of an apparent drug overdose on a BART train at the West Dublin Station on July 1, and another person was administered a dose of NARCAN to help reverse another drug overdose, according to BART Police.

Here are the details from BART Police:

NARCAN Deployment – Pleasant Hill Station

7/1/2023 1648 hours An officer administered one (1) dose of NARCAN to an unresponsive male subject who appeared to be suffering from an apparent drug overdose. The subject was transported to an area hospital for further medical treatment.

3 teen deaths. 1 arrest. What's next in Santa Rosa's fentanyl tragedy?

In just three days this February, three Sonoma County teens died from suspected fentanyl overdoses. Here's how it unfolded — and what still isn't resolved.

OAKLEY POLICE RESPOND TO FENTANYL OVERDOSE CALL

By Art Ray

written by CC News | November 19, 2024

Photo by Art Ray

On Tuesday, the Oakley Police Department responded to two people found unconscious at the Antioch fishing pier parking lot.

At 4:45 pm, Oakley police and Contra Costa County Fire responded to the end of Bridgehead Road. Upon arrival, one victim was cold to the touch and not breathing while the second male was saved by Oakley Police Department officers who had administered a counter acting drug (NARCAN).

SUMMARY OF BENEFITS

The following services are available for eligible participants who meet medical necessity:

SCREENING & BRIEF INTERVENTION.

Who	Youth and Adults.
What	Prevention care once per year with your assigned medical provider under your own health plan.

OUTPATIENT

Who	Youth (Under 21) and Adults.
What	Less intensive community-based services (up to 9 hours per week) that include group and individual counseling, patient education, crises assistance and case management.

INTENSIVE OUTPATIENT

Who	Youth (Under 21) and Adults.
What	More intensive community-based service (up to 19 hours per week or up to 30 hours per week for perinatal patients) that include individual and group counseling, patient education, crises assistance, and case management.

MEDICATION ASSISTED TREATMENT (MAT)

Who	Adults with Opioid Use Disorders.
What	Available prescribed medications include methadone and buprenorphine. Case management, and group and individual counselor are also offered.

WITHDRAWAL MANAGEMENT (DETOX)

Who	Adults Only.
What	Non-Medical 24-hour detox and moderate withdrawal services for 5 days.

RESIDENTIAL—A PRAUTHORIZED SERVICE

Who	Youth (Under 21) and Adults.
What	Short-term residential (24/7 Live-In) services include individual and group counseling, patient education, and case management.

RECOVERY SUPPORT SERVICES

Who	Adults
What	Support services include relapse prevention, recovery coaching, recovery support, builds self-management skills.

Is your life or the life of someone you love affected by the use of alcohol or other drugs? You do not have to fight addiction alone. Please give us a call and speak with a counselor.

Medication Assisted Treatment (MAT)

MAT is an approach that combines medications with counseling and behavioral therapies to help individuals recover from substance use disorders (SUDs). Contra Costa Health partners provide treatment for opioid use disorders (OUDs).

1. Contra Costa Health's Choosing Change Clinics
2. BAART Clinic
3. Harmonic Solutions
4. Recover Medical Group (Let's Recover)
5. Berkeley Addiction Treatment Services (BATS)

Treatment and Recovery Services

Behavioral Health offers a comprehensive range of services to support individuals and families impacted by substance use disorders (SUD). Services are designed to meet people where they are in their recovery journey, regardless of readiness for treatment.

Alcohol and Other Drugs also provides direct linkages to mental health care, housing navigation, and culturally responsive recovery support, with resources available in English and Spanish.

Available Services

Withdrawal Management (Detoxification) Central & West

- 24-hour supervised withdrawal support (up to 5 days)
- Linkages to long-term recovery services

Outpatient Programs

- Individual, group, and family counseling
- Education, relapse prevention, and support group referrals

Residential Programs for Men and Women

- 24/7 structured environment
- 40+ hours/week of counseling, vocational support, and recovery activities

Specialized Services

- Criminal Justice Programs & Driving Under the Influence (DUI)
- Women's Treatment Recovery Services
- Youth Treatment and Prevention
- Spanish-language services available

ORT's Approach

ORT prioritizes a compassionate, nonjudgmental, and client-centered approach focused on:

- Harm reduction – meeting clients where they are
- Client-driven engagement – Respecting individual needs and choices
- Treatment on demand – offering immediate connection to care
- Compassion, Respect and Hope – Core values in every interaction

What is Opioid Response Team?

Opioid Response Team (ORT) is comprised of substance use counselors dedicated to outreach and engagement with individuals in need of care and support. The team collaborates with community-based organizations, treatment and service providers and public health agencies to strengthen the continuum of care for people impacted by opioid use.

Core services include:

1. Distributing naloxone and fentanyl test strips
2. Connecting clients to treatment and recovery services
3. Implementing prevention and harm reduction strategies
4. Housing navigation and case management for unhoused clients.
5. Follow-up support after treatment completion to sustain recovery.

ORT provides immediate response and connections to services at key **touchpoints**

- Touchpoints refer to key locations where ORT engages with individuals impacted by OUD or SUD. These include community events, referral settings, syringe service programs, and outreach locations.

Why they matter?

Touchpoints create opportunities for ORT to:

- Connect with individuals at high risk of overdose or disengagement
- Provide immediate assistance and support
- Facilitate access to care, treatment, and recovery services

Services and Activities

- Process *Opioid Prevention Supply and Training Request Forms* for community partners and organization
- Distribution of life-saving harm reduction tools: Naloxone and fentanyl test strips.
- Training, presentation and education at schools, partnered agencies, shelters, churches and community-based organizations.
- Direct communication through email via AODOpioidResponse@cchealth.org OR phone 925-335-3330

How Do We Support Unhoused Individuals?

Targeted Outreach and Harm Reduction

- ✓ Field outreach at BART stations, homeless encampments, and syringe services programs
- ✓ ORT engagement at Trinity Center and other key locations
- ✓ Collaboration with CORE (Coordinated Outreach Referral and Engagement) staff

Recovery Residences and Shelter Linkages

- Referrals to MAT-friendly sober living environments and recovery residences
- Navigation support connecting individuals to shelter, treatment, and long-term housing services

Access to Life-Saving Tools

- Distribution of naloxone, fentanyl test strips, and lanyards to CORE
- Harm reduction vending machines being placed at shelters such as Brookside and Delta Landing to expand 24/7 access to supplies
- Expansion of Naloxone access through low-barrier stand boxes at Trinity Center and Delta Landing

Education and Engagement

- Harm reduction and naloxone trainings offered to community partners
- Presentations delivered to organizations such as Bay Area Rescue Mission
- Collaboration with A3 Crisis Response and Health, Housing and Homeless Services (H3) teams

We meet individuals where they are, removing barriers to care and promoting recovery for all community members.

Syringe Service Program

Syringe Service Program (SSP) anchors Contra Costa's harm reduction strategy, reaching individuals at risk of overdose, infection, or treatment disengagement.

- Managed by and the Public Health HIV/STI Program and through a contract with HEPPAC
- Focus on mobile outreach across East and West County, prioritizing high-need areas like Bay Point.

Program Activities

- Distribution of sterile supplies (syringes, alcohol wipes, wound care kits, sharps containers) to prevent infections.
- Naloxone (Narcan) distribution and overdose prevention education at all outreach locations.
- Fentanyl test strip access and client education to reduce accidental overdoses.
- Wound care triage, first-aid supplies, and referrals to medical care for injection-related wounds.
- HIV and Hepatitis C education with referrals to testing and care. (Note: HEPPAC provides education but not onsite testing services)
- System Navigation: referrals to MAT, shelter, mental health, and social services.
- OSF support implementation of Harm Reduction training twice per year

OD Free Contra Costa

Preventing drug overdoses in our community.

Drug overdoses are the leading cause of death for adults aged 25-54 in Contra Costa.

Overdose Prevention/Harm Reduction

An opioid overdose happens when someone takes too much of an opioid drug, like fentanyl or painkillers. Recognizing the signs of opioid overdose and acting fast can save a life.

NALOXONE (NARCAN)

Font Size: [+] [-] [x] Share & Bookmark Print

The antidote to an opioid overdose

Naloxone is a life-saving medication used to reverse an opioid overdose, including heroin, fentanyl and prescription opioid medications. Naloxone is most commonly used as a nasal spray (brand name "Narcan"). You don't need to be a medical professional to safely use naloxone on someone experiencing an overdose. Naloxone nasal spray can be purchased at many pharmacies [over the counter](#).

Naloxone is safe and easy to use and works almost immediately. It has very few negative effects, and has no effect if opioids are not in a person's system. Best of all, it can save someone's life!

REQUESTS FOR PROPOSALS

Font Size: + - + Share & Bookmark Print

This page is home to all requests for proposal (RFPs) for new Contra Costa Health (CCH) projects. Each RFP announces a new project, describes the scope and goals and solicits bids from contractors who are interested in working with CCH and meet the RFP's requirements.

Be sure to read RFPs closely before submitting them. Requirements vary from request to request.

You can also check the County's [Purchasing Services page](#) for opportunities.

Opioid Settlement Funds for SUD Primary Prevention Programs

Start Date: 03/13/2025
Close Date: 04/30/2025 5:00 PM

Contra Costa Behavioral Health (CCBH) is currently seeking proposals from providers interested in providing Substance Use Disorder Prevention services for beneficiaries in Contra Costa County. Prevention remains a key strategy in Contra Costa County's efforts to combat the opioid crisis. CCBH invites community-based organizations to submit proposals for prevention activities to be served within Contra Costa to residents who qualify for such activities. Please refer to the attachments below for additional details and requirements. Applicants are asked to submit proposals that will cover services to be rendered for FY 25-26 through FY 27-28.

The deadline to submit proposals is April 30, 2025 at 5:00 pm.

Saving Lives Through Collaborative Action

As part of Contra Costa County's efforts to expand harm reduction and overdose prevention strategies, Alcohol and Other Drug Services (AODS), in partnership with the MEDS Coalition, launched the Naloxone Stand Box (NSB) initiative. This initiative increases community access to publicly available naloxone by installing self-service stand boxes at key locations throughout the county.

On March 28, 2025, Naloxone Stand Box at Los Medanos College, Pittsburg are placed and accessible to college students.

Contra Costa County Probation Dept. - John A. Davis Juvenile Hall	Richmond and Antioch

Public Health Harm Reduction Vending Machine

Public Health Harm Reduction Vending Machine

CCBHS is coordinating the installation of four (4) naloxone vending machines across the county—targeting East, West, Central, and South Contra Costa. In collaboration with regional partners, including the HIV Education and Prevention Project of Alameda County (HEPPAC) and the County’s Public Health HIV/STI Program. These machines will serve as a low barrier, 24/7 access points for naloxone and other harm reduction supplies.

Confirmed Site Locations and Awaiting Placement

Oakley Recreation Center, Oakley
Brookside Shelter, Richmond
Delta Landing, Pittsburg

Pending

Contra Costa Regional Medical Center, Martinez
Mental Health Connections, Antioch
Contra Costa Jail Facilities
