The Pacheco Municipal Advisory Committee serves as an advisory body to the Contra Costa County Board of Supervisors and the County Planning Agencies.

2025 Annual Report to the Board of Supervisors (DRAFT)

Submitted by:
Vince Robb, Chairperson

Activities and Accomplishments

The primary goals of the MAC in 2025 were to increase community awareness and participation at the monthly MAC meetings and to represent the community's interests, concerns, and voice to the Board of Supervisors. We have done a good job providing a forum of communication between the residents of Pacheco and the Supervisor and County offices and Agencies.

The MAC board's activities and efforts have resulted in improvements and changes in 2025:

- Continual maintenance and upkeep of Pacheco Community Park.
- Continual maintenance and discussions about the upkeep of the median on Pacheco Blvd. and Grayson Creek. The creek desilt project was a big success, and the goats have continued to assist with weed reduction along the creek.
- We held another very successful annual Community Clean Up which included free e-waste recycling and dumpsters for residents to drop off of trash. This year the Sheriff's office volunteers came out in full force and cleaned the banks of Grayson Creek, the surrounding paths, sidewalks, and medians. We appreciate Republic Services, Rapid Recycle, the California Grand Casino, the Office of the Sheriff, and the Supervisor's office for their ongoing support of our annual Community Clean Up.
- Assisted the community in addressing their increasing concerns about homelessness and bringing County agencies together to try to find solutions.
- Assisted the community in participating in the Community Benefits Agreement (CBA) Forums.
- Assisted the community in finding solutions for road improvements on Marsh Drive, including the re-striping and change of parking from one side of the street to the other.
- Continued community participation and MAC attendance as a result of outreach efforts to the community of Pacheco.

The MAC received informative presentations and provided thoughtful feedback on matters that impact Pacheco and look forward to receiving additional updates in 2026:

- Local Hazard Mitigation Plan and the Mitigation Plan report.

Pacheco Municipal Advisory Council

Vince Robb, Chair

Office of
Supervisor Shanelle Preston-Scales
1025 Escobar Street
Martinez, CA 94553
(925) 608-4200

Vince Robb, Chair
Shawn Garcia, Vice Chair
Nam Trinh, Secretary
David Joslin, Councilmember
Wayne Pope, Councilmember
Warren Ritter, Alternate

The Pacheco Municipal Advisory Committee serves as an advisory body to the Contra Costa County Board of Supervisors and the County Planning Agencies.

- Presentations from Conservation and Development Department on the Community Benefits Agreements.
- Presentation from Public Works Finance Report for LL-2 Zones, 5 and 18.
- Presentation from Public Works on the Marsh Drive safety improvements.
- Presentation from the Fire Protection District on past accomplishments and the upcoming Pacheco Fire Station improvements
- Updates from Code Enforcement and the County's CORE team
- Updates on the Martinez Refinery Fire

The MAC greatly appreciates the support of the Sheriff and CHP in the Pacheco community. The Deputy Sheriff and Lieutenant regularly attend MAC meetings to provide updates on crime and incidents in the community and works to find solutions to concerns raised by the MAC and community members.

Membership

The current MAC board is dedicated and hard working. We feel that we have made some positive changes in our community.

At this time, there is one alternate vacancy.

Members

- Vince Robb, Chair – elected February 2025
- Shawn Garcia, Vice Chair – elected February 2025
- Nam Trinh, Secretary – elected February 2025

August	No Meeting by Design
September	Joslin and Ritter absent
October	Robb, Joslin, and Ritter absent
November	TBD
December	No Meeting by Design

MAC Work Plan and Objectives for 2026

A priority for the MAC in 2026 will continue to increase community awareness of the MAC and increase community involvement. We will continue to provide a forum of communication between the residents of Pacheco and the Supervisor and County offices and Agencies.

We will work with County entities to coordinate the annual creek cleanup event and the very popular annual community cleanup/dump day. This would include the cost of advertising flyers, food, goat rental and other charges related to the creek cleanup and community cleanup.

We would like to outreach to other MACs and CACs to discuss common interests, ideas, and learn from one another at an annual joint MAC meeting. That would include the cost of food, rental and other charges related to the outreach.

We will continue our work on:

1. Beautification of the medians along Pacheco Blvd.
2. Continued upkeep and development of the Pacheco Creekside Park at Grayson Creek.
3. Community input on safety projects.
4. Community awareness of events taking place at the Community Center.
5. Providing input and/or comments on proposed projects or developments in the Pacheco area.
6. Creating an open forum for communication between Pacheco residents and County and State Agencies in an effort to help find solutions to issues affecting the Pacheco Community, such as homelessness and associated crime.

Pacheco MAC meetings are usually held on the 2nd Wednesday of every month at 6:30 p.m. at the Pacheco Community Center, 5800 Pacheco Blvd., Pacheco.
