- 1. RECEIVE and APPROVE the Record of Action for the May 27, 2026 meetings of the Racial Justice Oversight Body Data Subcommittee, with any necessary corrections.**

Public Comment:

No comment.

Jeff Landau moved to receive and approve record of action. Melvin Malone seconded. 4 voted yes. Motion passed.

- 2. REVIEW Contra Costa County Public Dashboard List**

The committee discussed the challenges of collecting and sharing law enforcement data across Contra Costa County, noting that agencies use different CAD and dashboard platforms with varying capabilities, making countywide data synthesis difficult. Members suggested exploring tools that integrate multiple systems, creating a resource guide of best practices, and engaging statewide partners to improve cross-agency data collection and reporting.

Public Comment:

No comment.

3. REVIEW Data Walk Activity and Summary Report Draft

Attachments: [Data Walk Write Up v.2](#)

The subcommittee reviewed the updated report and recommended adding intersectional analyses, clearer visuals and plain-language explanations, additional contextual data, and relevant findings from prior reports to improve accessibility and completeness.

Public Comment:

No comment.

**4. DISCUSS Possible Data-related Recommendations and/or Budget Request
Proposals for RJOB to Consider**

The subcommittee discussed identifying potential research topics for future analysis, and having ORESJ and CPL prepare a proposal for review while exploring support from the UC Berkeley Policy Clinic on diversion.
