

PARTICIPATING ADDENDUM
for Automobiles, SUVs, Vans, and Light Trucks with Related Equipment and Accessories
under SOURCEWELL Cooperative Purchasing Program

Participating Entity:
CONTRA COSTA COUNTY
Sourcewell Acct. No.: 18815

Contractor: **72 Hour LLC dba National Auto Fleet Group**

This Agreement is made and entered into as of August 11, 2026 (“Effective Date”), by and between Contra Costa County (hereinafter referred to as “County”), a political subdivision of the State of California, and 72 Hour LLC dba National Auto Fleet Group, a California Limited Liability Company, (hereinafter referred to as “Contractor”) whose principal place of business registered with the California Secretary of State is 490 Auto Center Dr, Watsonville, CA 95076. County and Contractor are sometimes referred to herein together as the “Parties,” and each as a “Party.”

Whereas, Contractor offers Automobiles, SUVs, Vans, and Light Trucks with Related Equipment and Accessories through Master Agreement #081325-NAF (“Master Agreement”), awarded by Sourcewell, a State of Minnesota public agency, after a competitive bid process, and made available to public agencies nationally. The Master Agreement is attached hereto and incorporated herein as Exhibit A.

Whereas, County has determined that entering into a Participating Addendum under the Sourcewell program provides a benefit to County, but that certain terms and conditions of the Master Agreement must be modified and/or supplemented to meet legal requirements that apply to County.

Now therefore, Contractor and County agree as follows:

1. Term. The term of this Agreement begins on the Effective Date, and it expires on November 13, 2029, unless it is sooner terminated. County and Contractor may agree to amend this Agreement to extend its term, provided that the Master Agreement remains in effect as of the date the term of this Agreement is extended. Any extension of the term of this Agreement is subject to the prior approval of the Contra Costa County Board of Supervisors, the County’s governing body. If the Master Agreement is terminated prior to the expiration of the term of this Agreement, or any extension thereof, this Agreement shall also terminate.
2. Payment Limit. County’s total payments to Contractor under this Agreement shall not exceed \$3,000,000 (“Payment Limit”). Nothing in this Agreement obligates County to make any purchases, or any particular volume of purchases, under this Agreement.
3. No Public Work/No Public Project. Contractor shall not perform, and County will not request, any work under this Agreement that would qualify as a public work or public project under the California Labor Code and Public Agreement Code. If applicable, Contractor shall be solely responsible for complying with all prevailing wage laws, wage and hour laws, and other laws that apply to any services performed under this Agreement.
4. Changes to Master Agreement. For the purposes of this Agreement, the terms of the Master Agreement are incorporated in, and made a part of, this Agreement, except for those terms of the Master Agreement that are modified by this Agreement, as follows:

If requested by County, Supplier will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Supplier will reimburse County for any expenditures, including reasonable attorney’s fees and costs. Supplier’s obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Supplier is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Agreement.”
- e. Data Practices. Article 2, Section 18 (Data Practices) of the Master Agreement is deleted in its entirety and replaced with new Section 18 to read:

At all times during the term of this Agreement, neither party will function as or represent it to be the other party or its agent, and no officer, employee or agent of one party shall hold himself or herself out to be an officer, employee or agent of the other party. This Agreement does not create any rights or obligations between the parties other than those expressly set forth herein and nothing in this Agreement shall be construed as conferring any rights upon any third parties or any other party other than County and Contractor.
 - 6. Amendment. This Agreement may be amended or modified at any time by mutual agreement of the parties in writing.
