

October 16, 2024

Dear Adam,

At their October 3 meeting the mayors of Contra Costa cities unanimously nominated Richmond Council Member Soheila Bana to serve another term ending in December of 2028 as a member of the Contra Costa Hazardous Materials Commission.

Since she is already serving on this Commission, I am not providing contact information which you have.

At that same meeting the mayors DID NOT make an appointment to the alternate position filled by Peter Cloven. This appointment will carry over to the November meeting.

Gary Pokorny
Executive Director
Contra Costa
