Describe why you are interested in serving on this advisory board/commission (please limit your response to one paragraph).

The Bay Area's economy and wealth generation are the envy of the world. However, the limited economic mobility in this region is shocking and having a significant negative impact on families in Contra Costa County. For one of my clients, I work closely with low wage workers preparing to apply for citizenship. Their stories are inspiring. Even though they encounter more walls than doors, they are determined to give their children the best. I am interested in supporting the County's efforts to provide our community's families access to the region's wealth.
