**54953.8.2.** (a) A legislative body of a local agency may conduct a teleconference meeting pursuant to Section 54953.8 during a proclaimed state of emergency or local emergency, provided that it complies with the requirements of that section and the teleconferencing is used in either of the following circumstances:

(1) For the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) After a determination described in paragraph (1) is made that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(b) If the state of emergency or local emergency remains active, in order to continue to teleconference pursuant to this section, the legislative body shall, no later than 45 days after teleconferencing for the first time pursuant to this section, and every 45 days thereafter, make the following findings by majority vote:

(1) The legislative body has reconsidered the circumstances of the state of emergency or local emergency.

(2) The state of emergency or local emergency continues to directly impact the ability of the members to meet safely in person.

(c) This section shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(d) Notwithstanding paragraph (1) of subdivision (b) of Section 54953.8, a legislative body conducting a teleconference meeting pursuant to this section may elect to use a two-way telephonic service without a live webcasting of the meeting.

(e) For purposes of this section, the following definitions apply:

(1) "Local emergency" means a condition of extreme peril to persons or property proclaimed by the governing body of the local agency affected, in accordance with Section 8630 of the California Emergency Services Act (Chapter 7 (commencing with Section 8550) of Division 1 of Title 2), as defined in Section 8680.9, or a local health emergency declared pursuant to Section 101080 of the Health and Safety Code. Local emergency, as used in this section, refers only to local emergencies in the boundaries of the territory over which the local agency exercises jurisdiction.

**54953.8.3.** (a) A legislative body of a local agency may conduct a teleconference meeting pursuant to Section 54953.8 if, during the teleconference meeting, at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda, which location shall be open to the public and situated within the boundaries of the territory over which the local agency exercises jurisdiction, provided that the legislative body complies with the requirements of Section 54953.8 and all of the following additional requirements:

(1) A member of the legislative body notifies the legislative body at the earliest opportunity possible, including at the start of a regular meeting, of their need to participate remotely for just cause, including a general description of the circumstances relating to their need to appear remotely at the given meeting.

(2) The member shall participate through both audio and visual technology.

(3) (A) The provisions of this subdivision shall not serve as a means for any member of a legislative body to participate in meetings of the legislative body solely by teleconference from a remote location for just cause for more than the following number of meetings, as applicable:

(i) Two meetings per year, if the legislative body regularly meets once per month or less.

(ii) Five meetings per year, if the legislative body regularly meets twice per month.

(iii) Seven meetings per year, if the legislative body regularly meets three or more times per month.

(B) For the purpose of counting meetings attended by teleconference under this paragraph, a "meeting" shall be defined as any number of meetings of the legislative body of a local agency that begin on the same calendar day.

(b) The minutes for the meeting shall identify the specific provision in subdivision (c) that each member relied upon to participate remotely. This subdivision shall not be construed to require the member to disclose any medical diagnosis or disability, or any personal medical information that is otherwise exempt under existing law, including, but not limited to, the Confidentiality of Medical Information Act (Chapter 1 (commencing with Section 56) of Part 2.6 of Division 1 of the Civil Code).

(c) For purposes of this section, "just cause" means any of the following:

(1) Childcare or caregiving need of a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires them to participate remotely. "Child," "parent," "grandparent," "grandchild," and "sibling" have the same meaning as those terms do in Section 12945.2.

(2) A contagious illness that prevents a member from attending in person.

(3) A need related to a physical or mental condition that is not subject to subdivision (c) of Section 54953.

(5) An immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner of the member that requires the member to participate remotely.

(6) A physical or family medical emergency that prevents a member from attending in person.

(7) Military service obligations that result in a member being unable to attend in person because they are serving under official written orders for active duty, drill, annual training, or any other duty required as a member of the California National Guard or a United States Military Reserve organization that requires the member to be at least 50 miles outside the boundaries of the local agency.

(d) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

*(Added by Stats. 2025, Ch. 327, Sec. 11. (SB 707) Effective January 1, 2026. Repealed as of January 1, 2030, by its own provisions.)*
