C. No Incidents of Interest

D. Volunteers in Policing: 12 hours served by four volunteers. All volunteers provided routine security checks and Vacation House Checks/extra patrol.

E. Items of interest:

- It has been a year since the last residential burglary. The Chief reminds residents to remain vigilant in protecting their homes. If you have them, arm alarms and lock doors and windows when leaving the home or consider installing audible alarm systems, exterior motion lights and surveillance cameras as they are all good deterrents. Also set interior lights on timers when gone for an extended period.

F. Retirement of Blackhawk Chief Schultz as of March 27th, 2026. Transition includes selection of a replacement. Announcement will be distributed tomorrow to the Contra Costa Co Sheriff's Department. Expect approximately six applicants and the Chief recommends setting an interview with the P2A Advisory Board early March to allow for overlap and orientation. Chief's contract is generally for 3-4 years. Most deputies stay for at least 18 months- 2+ years.

Coffee with the Chief will resume in March 18, 2026 – weather permitting.

5. C.H.P. Report

Officer Hahn reported, Crashes were down around 200 (170 on highways) one fatality in Livermore. Crashes on Tassajara include one involving two cars, and a vehicle versus bike. CHP seem to be removing a large number of guns out of cars and addressing domestic violence occurrences. Anyone can carry in the car if they abide by specific storage requirements (locked, unloaded) or if they possess a

concealed weapons permit. CHP is testing all guns secured and have identified some that have been used in other criminal activity.
