The Board of Supervisors of Contra Costa County, California

**In the matter of: Declaring OCTOBER 23rd –
31st, 2024, as “RED RIBBON WEEK,” in Contra
Costa County.**

Resolution No. 2024-348

WHEREAS, on the occasion of the proclamation of "National Red Ribbon Week", Contra Costa County joins schools and communities across California including the Community Alliance for Drug Free Youth (CADFY), parent-community organizations, the Office of National Drug Control Policy, the Governor, the Office of the Attorney General, the State Department of Education, the California Parent Teacher Association, and over 100 other statewide agencies, departments, and other organizations to demonstrate their commitment to drug-free lifestyles; and

WHEREAS, the National Family Partnership, Inc., initiated the Red Ribbon Campaign after Drug Enforcement Administration Agent Enrique "Kiki" Camarena was killed in Mexico by drug traffickers in 1985; and

WHEREAS, drug and alcohol abuse create staggering societal costs and prevent millions of people from reaching their full potential at school, on the job, and in their communities. At a time when overdoses have reached an all-time high, it is imperative that visible, unified efforts by community members be launched to prevent drug use and alcohol abuse; and

WHEREAS, in 2022, more than 107,000 Americans died from drug overdoses with 76% involving prescription or illicit opioids, according to data from the U.S. Centers for Disease Control and Prevention. This increase has largely been driven by rising overdoses involving synthetic opioids, primarily fentanyl. Overdose deaths involving psychostimulants, and particularly methamphetamine, have also risen steeply in recent years, and many of these deaths involved use of an opioid at the same time; and

WHEREAS, delaying substance use until after adolescence significantly reduces the likelihood of developing a substance use disorder and that every dollar spent on effective school-based prevention programs returns \$18 in averted medical costs and improved productivity. By investing in evidence-based and promising strategies like youth-led programs which contribute to the development of our youth's full potential, we can continue to make progress and protect our future; and

WHEREAS, with drug overdose deaths rising at an unprecedented rate, it is critically important that we take action to prevent substance use among youth and continue to invest in the expansion of youth specific substance use disorder prevention and treatment programs in Contra Costa; and

WHEREAS, this year Alcohol and Other Drugs in partnership with the Alcohol and Other Drugs Advisory Board, schools and other community-based organizations, coordinate Red Ribbon Week activities to offer residents an opportunity to demonstrate their commitment to healthy, alcohol and drug-free lifestyles, by wearing and displaying Red Ribbons and participating in prevention activities during this week-long celebration; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Contra Costa County does hereby support October 23rd - 31st, 2024, as RED RIBBON WEEK “*Life is a Movie. Live Drug Free,*” and encourages all citizens to participate in tobacco, alcohol and other drug prevention programs and activities. Be it also resolved that the County Board of Supervisors encourages all community members to pledge support to alcohol and drug-free communities.

PASSED by a unanimous vote of the Board of Supervisors members present this 8th day of October 2024.

FEDERAL D. GLOVER
Chair,
District V Supervisor

JOHN GIOIA
District I Supervisor

DIANE BURGIS
District III Supervisor

CANDACE ANDERSEN
District II Supervisor

KEN CARLSON
District IV Supervisor

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown:
