Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I am a lifelong resident of Contra Costa County in Pittsburg CA. My neighborhood has a majority of Asian Americans and Filipinos in my neighborhood. However, we are underrepresented in government roles. I want to serve on the mental health board to ensure culturally relevant resources are provided to my community. I grew up with lived experiences with severe depression and anxiety. I did not learn about the free and accessible resources provided by Contra Costa Health until I was an adult. By serving on the mental health board, I can be the representing and role I needed when I was younger. Since the pandemic, I have been in leadership roles in San Jose CA, national level nonprofits, and Oakland CA. Now is the time to bring my knowledge and experience to the County I have lived for most of my life.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

In 2023, I was a board member for 2 organizations. For the Filipino Alumni Network SJSU, I assist planning the inaugural alumni gala resulting in 170+ attendees. I secured 4+ sponsorships for the event and more than \$1,000 fundraised for the event. In Napafasa, I oversee the policies and regulations on the Board of Directors. I provide feedback on mission statement, fundraising, and logo design for the organization. For 2 years, I was a certified medical peer support specialist. I saw firsthand how difficult it is for Asian American youth to access mental health services in their community. I educated Asian Americans effective strategies to reduce mental health stigma.
