**Subject:** 9/10/24 Board of Supervisors Agenda Item D.3

Hello. I may not be able to attend the BOS meeting, and in case not I would like to provide my comments on Agenda Item D.3, regarding the General Plan Update...

I and other residents of the **East Richmond Heights** community have worked closely with County Planning Staff and our Supervisor's office to develop the proposed language to address the community's concerns and goals for this neighborhood. ***We recommend adoption of the language proposed in the staff report included in the agenda packet.***

We greatly appreciate the accessibility and willingness of County staff to listen to our concerns, and to work with us to craft language that adequately addresses those concerns as we head into the future.

Adèle Ho, P.E.

**Subject:** Agenda Item D.3 General Plan Update

Hello,

At the August 21, 2024 East Richmond Heights Municipal Advisory Council (ERHMAC) meeting, the ERHMAC and community reviewed and discussed the proposed edits to the East Richmond Heights Profile in the Draft General Plan Update that specifically address potential future development and current issues in ERH.

**The ERHMAC unanimously recommended incorporation of all the proposed East Richmond Heights Profile edits, and new Policies and Actions into the final 2045 General Plan.**

The proposed Policy and Action additions and modifications were drafted by the MAC and ERH Heights residents over several meetings with County Planning Staff guidance and input. These Policy and Action additions and edits are supported by the larger community. **We recommend adoption of the language proposed in the staff report included in the agenda packet.**

Thank you,

Joann Pavlinec

ERHMAC
