Title	Date	Summary
Economy/Trade/Tax (back to top)		
Ensuring National Security and Economic Resilience Through Section 232 Actions on Processed Critical Minerals and Derivative Products (text)	4/15/2025	Directs the Secretary of Commerce to initiate a Section 232 investigation under the Trade Expansion Act of 1962 to assess whether imports of processed critical minerals and their derivative products threaten to impair U.S. national security. The order defines these imports broadly and cites vulnerabilities stemming from foreign dependency, supply chain risks, and market manipulation. The Secretary must evaluate supply sources, domestic capacity, foreign trade practices, and potential mitigation strategies. A final report with recommendations is due to the President within 180 days, with potential measures including tariffs, import restrictions, and domestic incentives.

<p>Clarification of Exceptions Under Executive Order 14257 of April 2, 2025, as Amended (text)</p>	<p>4/11/2025</p>	<p>Clarifies that “semiconductors,” as exempted under Executive Order 14257 and its subsequent amendments, include specific product classifications listed in the Harmonized Tariff Schedule of the United States (HTSUS). It directs modification of the HTSUS to formally reflect these exceptions, effective April 5, 2025. Any tariffs already collected on these semiconductor products after that date are to be refunded in accordance with standard U.S. Customs and Border Protection procedures. It also reaffirms the authorities responsible for implementing these measures.</p>
<p>Modifying Reciprocal Tariff Rates to Reflect Trading Partner Retaliation and Alignment (text)</p>	<p>4/10/2025</p>	<p>Increases the applicable duty rate on Chinese goods from 84% to 125% and further raises tariffs on low-value imports from China. Concurrently, the order temporarily suspends enhanced country-specific tariff rates for other trading partners for 90 days and sets a uniform 10% duty during that period. The order also authorizes relevant agencies to take actions necessary to implement these changes.</p>
<p>Reducing Anti-Competitive Regulatory Barriers (text)</p>	<p>4/9/2025</p>	<p>Directs federal agencies to review their regulations and identify those that reduce market competition, restrict new entrants, or create unnecessary barriers to innovation. Agencies must submit lists of such regulations, along with recommendations for rescission or modification, to the Federal Trade Commission and the Department of Justice. The FTC, in coordination with other officials, will compile a consolidated list for potential inclusion in the Unified Regulatory Agenda. Public input on potentially anti-competitive regulations will also be solicited through a request for information.</p>
<p>Amendment to Reciprocal Tariffs and Updated Duties as Applied to Low-Value Imports from the People’s Republic of China (text)</p>	<p>4/8/2025</p>	<p>Raises tariffs on imports from China in response to announced Chinese retaliatory tariffs on U.S. goods. It increases existing tariff rates on certain Chinese goods from 34% to 84% and raises duties on low-value postal imports from China, including increasing ad valorem rates from 30% to 90% and flat per-item charges up to \$150. The order directs federal agencies to implement these changes using all available legal authorities.</p>

Review of Proposed United States Steel Corporation Acquisition (text)	4/7/2025	Directs the Committee on Foreign Investment in the United States (CFIUS) to conduct a de novo review of the proposed acquisition of U.S. Steel by Nippon Steel Corporation and related entities. The review is to be conducted confidentially and in accordance with Section 721 of the Defense Production Act.
Regulating Imports with a Reciprocal Tariff to Rectify Trade Practices that Contribute to Large and Persistent Annual United States Goods Trade Deficits (text)	4/2/2025	Declares a national emergency in response to large and persistent U.S. goods trade deficits, citing unfair foreign trade practices, tariff imbalances, non-tariff barriers, and suppressed domestic demand in foreign economies.
Further Amendment to Duties Addressing the Synthetic Opioid Supply Chain in the People's Republic of China as Applied to Low-Value Imports (text)	4/2/2025	Eliminates duty-free de minimis treatment for certain low-value shipments from China and Hong Kong, including international postal packages, effective May 2, 2025. It directs U.S. Customs and Border Protection to collect duties on these shipments to combat the trafficking of synthetic opioids and deceptive shipping practices.
Establishing the United States Investment Accelerator (text)	3/31/2025	Establishes the United States Investment Accelerator within the Department of Commerce to assist with large-scale investments over \$1 billion. It directs the office to help domestic and foreign investors navigate federal regulations, reduce regulatory burdens where lawful, and coordinate with states to accelerate project development. The Accelerator will also oversee the CHIPS Program Office to ensure stronger taxpayer returns on semiconductor investments
Combating Unfair Practices in the Live Entertainment Market (text)	3/31/2025	Directs federal agencies to take action against unfair and anti-competitive practices in the live event ticketing industry. It instructs the Federal Trade Commission and the Attorney General to enforce competition and consumer protection laws, including cracking down on bot-driven ticket scalping and requiring price transparency. The order also directs the Treasury Department and Department of Justice to ensure scalpers comply with tax and legal obligations. A joint report on implementation and recommendations is due within 180 days.

Adjusting Imports of Automobiles and Automobile Parts Into the United States (text)	3/26/2025	Imposes a 25% tariff on imports of automobiles and certain automobile parts, effective April 3, 2025, under section 232 of the Trade Expansion Act
Imposing Tariffs on Countries Importing Venezuelan Oil (text)	3/24/2025	Authorizes the Secretary of State to impose a 25 percent tariff on goods from countries that import Venezuelan oil, in response to national security threats posed by the Maduro regime and the Tren de Aragua gang. It establishes a framework for determining and enforcing these tariffs, including their duration and applicability to transshipments through Hong Kong and Macau. The order also mandates periodic reviews of the policy's effectiveness.
Amendment to Duties to Address the Flow of Illicit Drugs Across Our Northern Border (text)	3/6/2025	Modifies tariffs imposed on Canadian goods under Executive Order 14193, particularly to support the U.S. automotive industry's stability and minimize disruptions to supply chains. It exempts automotive parts and components from additional tariffs, provided they qualify under the U.S.-Mexico-Canada Agreement (USMCA). The order also reduces the tariff on non-exempt potash imports from 25% to 10%, effective March 7, 2025
Establishment of the Strategic Bitcoin Reserve and United States Digital Asset Stockpile (text)	3/6/2025	Establishes a U.S. Strategic Bitcoin Reserve and a broader digital asset stockpile, using confiscated digital assets from federal enforcement actions. Led by the White House Crypto and Artificial Intelligence Czar, the strategy for managing these assets will be developed by the Treasury and Commerce Departments, focusing on acquiring additional Bitcoin in a budget-neutral manner.
Amendment to Duties to Address the Situation at our Southern Border (text)	3/2/2025	Amends Executive Order 14194, which addresses the situation at the southern border, by updating the provisions related to duty-free de minimis treatment for eligible covered articles under 19 U.S.C. 1321. The amendment specifies that duty-free treatment will end once the Secretary of Commerce notifies the President that adequate systems are in place to efficiently process and collect applicable tariff revenue.

<p>Amendment to Duties to Address the Flow of Illicit Drugs across our Northern Border (text)</p>	<p>3/2/2025</p>	<p>Amends Executive Order 14193, which addresses the flow of illicit drugs across the northern border, by modifying the duty-free de minimis treatment for covered articles under 19 U.S.C. 1321. The amendment states that duty-free treatment will no longer apply once the Secretary of Commerce notifies the President that adequate systems are in place to process and collect applicable tariff revenue.</p>
<p>Addressing the Threat to National Security from Imports of Timber, Lumber (text)</p>	<p>3/1/2025</p>	<p>Directs the Secretary of Commerce to initiate an investigation under Section 232 of the Trade Expansion Act to assess whether imports of timber, lumber, and their derivative products threaten the national security of the United States. The investigation will evaluate the impact of foreign competition, government subsidies, and trade practices on the competitiveness of the U.S. wood products industry, which is critical to both military and civilian construction. The Secretary of Commerce is tasked with consulting relevant agencies and submitting a report within 270 days, including potential recommendations for tariffs, export controls, and strategic investments to strengthen the domestic supply chain.</p>
<p>Immediate Expansion of American Timber Production (text)</p>	<p>3/1/2025</p>	<p>Aims to boost domestic timber production and streamline forest management by directing the Secretaries of the Interior and Agriculture to implement new guidance and legislative proposals that reduce regulatory barriers. The order calls for setting annual timber sale targets from federal lands, expediting permitting processes under the Endangered Species Act, and adopting categorical exclusions to simplify administrative approvals. It also mandates a strategy to eliminate permitting delays and an Endangered Species Committee review to identify obstacles to timber production, ultimately promoting economic and national security through a strengthened domestic timber supply chain.</p>

<p>Addressing the Threat to National Security from Imports of Copper (text)</p>	<p>2/25/2025</p>	<p>Directs the Secretary of Commerce to investigate the national security implications of U.S. dependence on copper imports, including raw, refined, and derivative products. The investigation will assess supply chain vulnerabilities, foreign market influence, and the feasibility of increasing domestic production. The Secretary will consult with relevant agencies and submit a report within 270 days with findings and recommendations, including potential trade actions, policy adjustments, and investments to strengthen the domestic copper supply chain.</p>
<p>Defending American Companies and Innovators From Overseas Extortion and Unfair Fines and Penalties (text)</p>	<p>2/21/2024</p>	<p>Directs agencies to counter foreign governments' discriminatory taxes and regulations that unfairly target U.S. businesses, particularly in the technology sector. USTR is instructed to assess and respond to digital services taxes, trade barriers, and regulatory measures that undermine American competitiveness. Agencies will identify and recommend actions against policies that impose disproportionate financial burdens, restrict market access, or require content moderation in ways that affect U.S. businesses and citizens.</p>
<p>America First Investment Policy (text)</p>	<p>2/21/2025</p>	<p>Establishes an investment policy to attract foreign capital from allied nations while strengthening safeguards against investments that could pose risks to U.S. national security. It directs agencies to facilitate investment in critical industries while restricting transactions linked to foreign adversaries, particularly in sectors like technology, infrastructure, and resources. Regulatory bodies will enhance oversight of financial transactions, enforce stricter investment reviews, and ensure compliance with fiduciary standards to protect U.S. economic and security interests.</p>

Reciprocal Trade and Tariffs (text)	2/13/2025	Establishes the Fair and Reciprocal Plan, directing the U.S. government to assess and counter non-reciprocal trade practices by foreign trading partners. It outlines a strategy to impose equivalent tariffs and address barriers such as value-added taxes, subsidies, currency manipulation, and regulatory restrictions that disadvantage U.S. businesses and workers. The Secretary of Commerce and the U.S. Trade Representative will investigate and recommend corrective actions, while the Office of Management and Budget will assess fiscal impacts.
Adjusting Imports of Aluminum into The United States (text)	2/11/2025	Increases tariffs on aluminum imports from 10% to 25%. It revokes previous tariff exemptions for countries such as Canada, Mexico, Australia, Argentina, the European Union, and the United Kingdom.
Adjusting Imports of Steel into The United States (text)	2/10/2025	Reinstates a 25% tariff on steel and derivative steel imports from several countries, including Canada, Mexico, the EU, Japan, South Korea, Brazil, and the UK, citing national security concerns and increasing global steel overcapacity. It also terminates existing exemptions and alternative trade agreements, eliminates product exclusion processes, and implements stricter import monitoring and enforcement measures.
Amendment to Duties Addressing the Synthetic Opioid Supply Chain in the People's Republic of China (text)	2/7/2025	Modifies the provision regarding duty-free de minimis treatment for certain imported goods. Under the amendment, de minimis treatment remains available for eligible articles but will be revoked once the Secretary of Commerce confirms that sufficient systems are in place to efficiently collect applicable tariff revenue.
A Plan for Establishing a United States Sovereign Wealth Fund (text)	2/3/2025	Directs the development of a sovereign wealth fund to strengthen U.S. financial sustainability, reduce tax burdens, and enhance economic leadership. Treasury and Commerce Departments, in coordination with the President's economic team, must submit a plan within 90 days outlining funding sources, investment strategies, governance, and legal considerations.
Imposing Duties to Address the Synthetic Opioid Supply Chain in the People's Republic of China (text)	2/1/2025	Imposes a 10% tariff on all Chinese imports starting February 4, 2025, to pressure the Chinese government to take action against drug production and money laundering networks.

Imposing Duties to Address the Situation at Our Southern Border (text)	2/1/2025	Imposes a 25% tariff on all Mexican imports starting February 4, 2025, to pressure the Mexican government to take stronger action against drug cartels and human trafficking networks.
Imposing Duties to Address the Flow of Illicit Drugs Across Our Northern Border (text)	2/1/2025	Expands the national emergency at the southern border to include drug trafficking and illegal migration at the northern border. It imposes a 25% tariff on most Canadian imports and a 10% tariff on energy products starting February 4, 2025.
Strengthening American Leadership in Digital Financial Technology (text)	1/23/2025	Revokes prior policies promoting Central Bank Digital Currencies (CBDCs), prohibits their development or use within the United States, and establishes a President's Working Group on Digital Asset Markets to create a clear regulatory framework for digital assets, including stablecoins. The order also directs agencies to review existing regulations, terminate inconsistent guidance, and focus on advancing the responsible growth of blockchain technology and digital assets while safeguarding individual rights and the sovereignty of the U.S. dollar.
America First Trade Policy (text)	1/20/2025	Outlines a directive to strengthen America's trade policies by addressing trade deficits, unfair practices, and economic security risks while promoting industrial and technological advantages. The memo further calls for comprehensive reviews and recommendations across various sectors, including trade agreements, tariff policies, currency manipulation, and export controls.
The Organization for Economic Co-operation and Development (OECD) Global Tax Deal (Global Tax Deal) (text)	1/20/2025	Declares that the OECD Global Tax Deal holds no force or effect in the United States without Congressional approval and directs federal officials to notify the OECD accordingly. It further mandates an investigation into foreign tax practices that may harm American businesses, with recommendations for protective measures to safeguard U.S. economic interests.
Delivering Emergency Price Relief for American Families and Defeating the Cost-of-Living Crisis (text)	1/20/2025	Orders the heads of all executive departments and agencies to deliver emergency price relief, consistent with applicable law.

Health Care ([back to top](#))

Lowering Drug Prices by Once Again Putting Americans First (text)	4/15/2025	Directs federal agencies to reimplement and expand initiatives aimed at lowering prescription drug costs. It instructs HHS to improve the Medicare Drug Price Negotiation Program and address pricing disparities between small molecule and biological drugs. The order also calls for new payment models for high-cost drugs, surveys of hospital drug acquisition costs, and expanded access to discounted insulin and epinephrine. Additional directives include enhancing oversight of pharmacy benefit managers, promoting drug importation, expediting generic approvals, and addressing anti-competitive practices by pharmaceutical manufacturers.
Making America Healthy Again by Empowering Patients with Clear, Accurate, and Actionable Healthcare Pricing Information (text)	2/25/2025	Directs federal agencies to strengthen and enforce health care price transparency regulations, ensuring that patients, employers, and insurers have access to clear and accurate pricing information. The order mandates disclosure of actual health care prices rather than estimates, standardizes pricing data across hospitals and insurers, and enhances enforcement to ensure compliance.
Expanding Access to In Vitro Fertilization (text)	2/18/2025	Directs the Assistant to the President for Domestic Policy to submit policy recommendations within 90 days to protect and expand access to in vitro fertilization (IVF) and reduce its financial burden on families.
Establishing the President's Make America Healthy Again Commission (text)	2/13/2025	Establishes the "Make America Healthy Again Commission" to address rising chronic disease rates, particularly among children, by investigating contributing factors such as diet, environmental exposures, medication use, and healthcare policies. The commission will conduct assessments, recommend policy changes, and promote transparency in federally funded health research to combat obesity, diabetes, mental health disorders, and other chronic conditions. The order prioritizes disease prevention, improved nutrition, and reducing industry influence on health research, aiming to restructure federal health initiatives to reverse declining public health trends.

Enforcing the Hyde Amendment (text)	1/24/2025	Revokes Executive Orders 14074 and 14079 from the previous administration, reaffirms the policy to prohibit Federal funding for elective abortions, aligning with the principles of the longstanding Hyde Amendment, and directs the Office of Management and Budget to issue guidance for implementing this policy across Federal programs.
Initial Rescissions of Harmful Executive Orders and Actions: Strengthening Medicaid and the Affordable Care Act — EO 14009 (text)	1/20/2025	Established the Biden administration’s policy for the Medicaid program, to protect and strengthen both Medicaid and the ACA to ensure health care accessibility and affordability. To this end, the EO directed agency heads to review all agency actions for alignment with this policy and to suspend, revise, or rescind any inconsistent actions. As a result, Biden reversed many of the Trump administration’s Medicaid reform efforts, particularly the Section 1115 waiver demonstrations, arguing that they could “reduce coverage under or otherwise undermine Medicaid or the ACA.”
Initial Rescissions of Harmful Executive Orders and Actions: Continuing To Strengthen Americans’ Access to Affordable, Quality Health Coverage — EO 14070 (text)	1/20/2025	Built upon EO 14009 by directing agencies to identify strategies for expanding health coverage, enhancing quality, strengthening benefits, and increasing enrollment.
Initial Rescissions of Harmful Executive Orders and Actions: Lowering Prescription Drug Costs for Americans — EO 14087 (text)	1/20/2025	Called for additional actions to complement the IRA’s prescription drug price provisions and further reduce costs. The Secretary was instructed to select, within 90 days, new CMMI payment and delivery models for testing that would lower drug costs and promote access to innovative therapies. The models selected were CMMI’s: (1) Medicare High-Value Drug List Model, (2) Cell & Gene Therapy Access Model, and (3) Accelerating Clinical Evidence Model.
Withdrawing The United States From The World Health Organization (text)	1/20/2025	Reinstates the process to withdraw the United States from the World Health Organization (WHO), halts U.S. funding and involvement with the WHO, redirects efforts to domestic and alternative global health initiatives, and suspends negotiations on international health agreements led by the WHO.

Transportation (back to top)		
Restoring America’s Maritime Dominance (text)	4/9/2025	Directs the development of a comprehensive Maritime Action Plan to rebuild the U.S. commercial shipbuilding industry and maritime workforce. It tasks multiple agencies with identifying investments, regulatory reforms, financial incentives, and legislative proposals to strengthen the domestic maritime industrial base, reduce reliance on foreign production, and expand the U.S.-flagged fleet. The order also calls for trade enforcement actions related to China's maritime sector practices and proposes measures to modernize procurement, mariner training, and U.S. Merchant Marine infrastructure. All actions are to be coordinated and included in a final plan submitted to the President.
Immediate Assessment of Aviation Safety (text)	1/30/2025	Orders the Secretary of Transportation and the Administrator of the Federal Aviation Administration to review all hiring decisions and changes to safety protocols made during the prior 4 years, and to take such corrective action as necessary to achieve uncompromised aviation safety, including the replacement of any individuals who do not meet qualification standards.
Keeping Americans Safe in Aviation (text)	1/21/2025	Mandates a return to merit-based hiring practices. Instructs the FAA to rescind diversity, equity, and inclusion (DEI) initiatives.
Regulatory Reform & Government Affairs (back to top)		
Preventing Illegal Aliens from Obtaining Social Security Act Benefits (text)	4/15/2025	directs federal agencies to strengthen enforcement measures to prevent ineligible individuals, particularly illegal aliens, from receiving benefits under Social Security Act programs.

Restoring Common Sense to Federal Procurement (text)	4/15/2025	Directs the Federal Acquisition Regulatory Council and agency procurement officials to reform the Federal Acquisition Regulation (FAR) to eliminate provisions not required by statute or essential to efficient and secure procurement. The order sets a 180-day deadline for revising the FAR to align with principles of simplicity, usability, and economic and national security. Agencies must designate officials to coordinate with the FAR Council and align their supplemental regulations, following the “ten-for-one” deregulatory standard established in Executive Order 14192. It also proposes a four-year sunset for any non-statutory FAR provision unless renewed by the Council.
Restoring Common Sense to Federal Office Space Management (text)	4/15/2025	Revokes Executive Orders 12072 and 13006, which previously prioritized locating federal facilities in urban central business districts and historic properties. It directs the General Services Administration to amend relevant regulations to allow greater flexibility in selecting federal office space based on cost-effectiveness and service efficiency.
Directing the Repeal of Unlawful Regulations (text)	4/9/2025	Directs federal agencies to repeal existing regulations that are clearly unlawful or exceed statutory authority, particularly those inconsistent with recent Supreme Court decisions. Specific cases cited within the memo include: <ol style="list-style-type: none"> 1. <i>Loper Bright Enterprises v. Raimondo</i>, 603 U.S. 369 (2024); 2. <i>West Virginia v. EPA</i>, 597 U.S. 697 (2022); 3. <i>SEC v. Jarkesy</i>, 603 U.S. 109 (2024); 4. <i>Michigan v. EPA</i>, 576 U.S. 743 (2015); 5. <i>Sackett v. EPA</i>, 598 U.S. 651 (2023); 6. <i>Ohio v. EPA</i>, 603 U.S. 279 (2024); 7. <i>Cedar Point Nursery v. Hassid</i>, 594 U.S. 139 (2021); 8. <i>Students for Fair Admissions v. Harvard</i>, 600 U.S. 181 (2023); 9. <i>Carson v. Makin</i>, 596 U.S. 767 (2022); and 10. <i>Roman Cath. Diocese of Brooklyn v. Cuomo</i>, 592 U.S. 14 (2020).

Exclusions from Federal Labor-Management Relations Programs (text)	3/27/2025	Expands the list of federal agencies and subdivisions exempt from collective bargaining under federal labor-management relations law, citing national security concerns. It directs agency heads to reassign affected employees to agency work and terminate participation in pending labor disputes. It also delegates authority to the Secretaries of Defense, Veterans Affairs, and Transportation to suspend or exclude subdivisions from labor statute coverage where consistent with national security.
Addressing Risks From WilmerHale (text)	3/27/2025	Directs agencies to review and suspend security clearances held by individuals at WilmerHale, limit the firm’s access to federal buildings and contracts, and restrict hiring of its employees without high-level waivers
Modernizing Payments To and From America’s Bank Account (text)	3/25/2025	Directs federal agencies to enhance financial transparency, prevent improper payments and fraud, and consolidate financial systems under the Department of the Treasury. It requires agencies to comply with pre-certification verification for disbursements, reduce the use of Non-Treasury Disbursing Offices, and transition financial operations to Treasury-managed systems. The order also mandates agency compliance plans and outlines steps to modernize and centralize payment oversight and reporting.
Protecting America’s Bank Account Against Fraud, Waste, and Abuse (text)	3/25/2025	Directs the Department of the Treasury to strengthen oversight of federal payments by implementing pre-certification verification for disbursements and consolidating disbursing authority from other agencies. It outlines measures to prevent fraud and improper payments, modernize and standardize financial systems, and reduce the number of Non-Treasury Disbursing Offices. The order also requires agencies to report on compliance and coordinate with Treasury to transition financial operations.

<p>Preserving and Protecting the Integrity of American Elections (text)</p>	<p>3/25/2025</p>	<p>Directs federal agencies to enforce existing laws that prohibit non-citizens from voting in federal elections and require ballots to be received by Election Day. It outlines measures for verifying voter citizenship, maintaining accurate voter rolls, and enhancing election system security. The order also instructs the Election Assistance Commission to update voting system guidelines and halt funds to noncompliant states, while requiring the Department of Justice to prioritize prosecution of election-related crimes and end remaining agency activities tied to revoked Executive Order 14019 on voting access.</p>
<p>Addressing Risks from Jenner & Block (text)</p>	<p>3/25/2025</p>	<p>Directs federal agencies to review and, where appropriate, suspend security clearances, contracts, and federal building access related to the law firm Jenner & Block LLP.</p>
<p>Eliminating Waste and Saving Taxpayer Dollars by Consolidating Procurement (text)</p>	<p>3/20/2025</p>	<p>Directs federal agencies to consolidate procurement of common goods and services under the General Services Administration (GSA). It outlines a policy to eliminate duplication and inefficiencies by centralizing contracting authority, particularly for information technology. The order also requires agencies and GSA to develop and submit implementation plans to the Office of Management and Budget.</p>
<p>Continuing the Reduction of the Federal Bureaucracy (text)</p>	<p>3/14/2025</p>	<p>Directs the reduction or elimination of non-statutory functions within several federal agencies and offices that have been deemed unnecessary. Entities affected include the Federal Mediation and Conciliation Service, the United States Agency for Global Media, the Woodrow Wilson International Center for Scholars, the Institute of Museum and Library Services, the United States Interagency Council on Homelessness, the Community Development Financial Institutions Fund, and the Minority Business Development Agency.</p>

<p>Additional Recissions of Harmful Executive Orders and Actions (text)</p>	<p>3/14/2025</p>	<p>Eliminates directives related to public health responses, minimum wage requirements for federal contractors, energy supply management, biotechnology innovation, workforce rights, tribal funding structures, and various defense-related policies. It also revokes policies on international human rights advocacy, trade practices, and supply chain resilience.</p>
<p>Ensuring the Enforcement of Federal Rule of Civil Procedure 65(c) (text)</p>	<p>3/11/2025</p>	<p>Directs executive departments and agencies to enforce Federal Rule of Civil Procedure 65(c), ensuring that parties seeking injunctions against the federal government provide security to cover potential costs and damages if the injunction is later found to have been wrongfully issued. Agencies, in consultation with the Attorney General, must request courts to require security amounts proportional to the government’s potential losses in all applicable cases. This directive does not create any enforceable rights but reinforces the government’s commitment to protecting the integrity of legal processes and responsible use of taxpayer funds.</p>
<p>Addressing Risks from Perkins Coie LLP (text)</p>	<p>3/6/2025</p>	<p>Directs a review of security clearances and federal contracts involving Perkins Coie LLP, citing concerns over alleged unethical practices, racial discrimination, and potential national security risks. The order mandates that government agencies evaluate contracts with Perkins Coie and restrict access to government facilities and engagements with the firm.</p>
<p>Implementing the President’s “Department of Government Efficiency” Cost Efficiency Initiative (text)</p>	<p>2/26/2025</p>	<p>Establishes measures to enhance transparency and accountability in federal spending on contracts, grants, and loans. It directs agencies to implement centralized tracking systems for payments, ensure written justifications for expenditures, and publicly disclose this information where permissible. Agencies must review existing contracts and grants for potential termination or modification to reduce costs and enhance efficiency. Additional measures include restricting non-essential travel, freezing government-issued credit cards for 30 days, and evaluating real property leases for potential cost savings. Exceptions apply for law enforcement, national security, and classified information.</p>

<p>Suspension of Security Clearances and Evaluation of Government Contracts (text)</p>	<p>2/25/2025</p>	<p>Directs the Attorney General and relevant agency heads to suspend the security clearances of Peter Koski and members of Covington & Burling LLP who assisted former Special Counsel Jack Smith, pending a review of their roles in judicial matters. It also instructs agencies to terminate engagements with the firm where legally permissible and requires the Office of Management and Budget to review all government contracts with Covington & Burling LLP. Additionally, the Office of Personnel Management must ensure compliance across all clearance-granting agencies.</p>
<p>Commencing the Reduction of the Federal Bureaucracy (text)</p>	<p>2/19/2025</p>	<p>Directs the reduction of certain federal entities and advisory committees to streamline government operations. Notable entities outlined in the order for dissolution include: the Advisory Committee on Voluntary Foreign Aid, the Academic Research Council, the Credit Union Advisory Council, the Community Bank Advisory Council, the Secretary's Advisory Committee on Long COVID, and the Health Equity Advisory Committee.</p>
<p>Ensuring Accountability for All Agencies (text)</p>	<p>2/18/2025</p>	<p>Mandates that all executive agencies, including independent regulatory bodies, submit significant regulatory actions for review by the Office of Information and Regulatory Affairs (OIRA) before publication. The order also requires independent agencies to consult regularly with the White House, creates a White House Liaison position within these agencies, and grants the President and the Attorney General the final authority on legal interpretations for the executive branch. Additionally, it allows the OMB to review and adjust agency expenditures to align with the President's policies and priorities.</p>
<p>Radical Transparency About Wasteful Spending (text)</p>	<p>2/18/2025</p>	<p>Directs executive agencies to publicly disclose details of terminated programs, canceled contracts, and discontinued grants</p>

<p>Implementing The President’s “Department of Government Efficiency” Workforce Optimization Initiative (text)</p>	<p>2/11/2025</p>	<p>Aims to reduce the size of the federal workforce by limiting hiring, eliminating certain programs, and preparing for large-scale reductions in force. It establishes a one-for-four hiring ratio, prioritizes functions related to public safety and immigration enforcement, and directs agencies to review and consolidate operations. Additionally, the order mandates rulemaking to revise federal hiring suitability criteria and requires agencies to submit reorganization plans to identify potential eliminations or consolidations.</p>
<p>Eliminating the Federal Executive Institute (text)</p>	<p>2/10/2025</p>	<p>Directs the elimination of the Federal Executive Institute by the Office of Personnel Management (OPM).</p>
<p>Memorandum for the Heads of Executive Departments and Agencies (text)</p>	<p>2/6/2025</p>	<p>Directs the heads of executive departments and agencies to review all funding that agencies provide to NGOs. The heads of agencies shall align future funding decisions with the interests of the United States and with the goals and priorities of my Administration, as expressed in executive actions; as otherwise determined in the judgment of the heads of agencies; and on the basis of applicable authorizing statutes, regulations, and terms.</p>
<p>Unleashing Prosperity Through Deregulation (text)</p>	<p>1/31/2025</p>	<p>Establishes a regulatory reform policy requiring agencies to eliminate at least 10 existing regulations for every new regulation issued. It mandates that the total cost of new regulations for fiscal year 2025 be significantly less than zero and directs the OMB to oversee implementation through a regulatory budgeting process. The order also revokes the 2023 OMB Circular A-4 and reinstates the 2003 version to guide regulatory analysis.</p>
