I regularly volunteer at senior centers, libraries and senior services at churches. My intention is to support the older generations with tools for aging well. I feel it's my duty to pay it forward, and hope that it also affects my own aging.

I often wonder what would happen if we lean in to the systems of aging and improve them while we are younger. As a 42 year old, I'd love to offer my experience, innovation, and understanding of systems to improve this for folks who are aging and those will be entering the space soon
