Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I have served on the Alameda County Workforce Development Board for many years. As I approach the end of my last term on that important Board, I am interested in continuing this WDB service here in the East Bay, where I have lived for all of my 62 years. Contra Costa and Alameda Counties share many workforce issues, and we have received presentations at the Alameda WDB meetings from leaders of organizations who share information which involve data from both Counties, but there are also areas in which the two Counties differ. It would be a pleasure to bring my knowledge, curiosity, and ability to work with leaders who have a range of ideologies and experiences of their own to improve the economy and culture of Contra Costa County. Jobs which provide at least a living wage, health insurance, and safe, respectful working conditions improve our society. I'm ready to help improve Contra Costa County society in this way.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

In addition to my current service on the Alameda County WDB, I am in my third term as an Executive Board member of the Contra Costa Labor Council, and have served as a Delegate at the CCLC since 2008. These services have been important parts of my work as the East Bay Regional Political Organizer for SEIU-UHW, a Statewide healthcare workers' Union of over 110,000 members, almost all of whom work at private sector hospitals and clinics; many thousands of UHW members live and/or work in Contra Costa County. I've also taken the opportunity to work with coalition partners and allies outside the Labor movement. Among those has been the Contra Costa Democratic Party Central Committee. My many years of this coalition work was recognized by the County DPCC in 2019 when they chose me as the recipient of their Robert Reich Award. I have also served a term on the Alameda County Measure A Oversight Committee, which oversees the contracted providers of safety net health care services for indigent and underserved communities which Measure A tax revenue are required to serve. This Oversight Committee reports to the County Supervisors and plays a key advisory role on the Supervisors' annual choices on where they choose to direct Measure A revenue. My service as an SEIU-UHW staff member was preceded by my 25 years as a health case worker at Eden Medical Center, a Trauma-designated hospital.
