Qualifications and Volunteer Experience

Please explain why you would like to serve on this particular board, committee, or commission.

I would like to continue to serve on this particular committee because it is directly related to my work. I have been serving the 0-5 population for over a decade. I continue to set forth a high standard of service delivery for the families I serve on a daily basis. I am passionate and motivated to be part of a team dedicated to improve the overall outcomes of our children. This committee has afforded me several opportunities to create, support and enhance the services our children and families receive in the educational system. Furthermore, being part of such a talented and multidimensional team, has been inspiring and uplifting as I continue the important work that our children and families deserve.

Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)

I am qualified for this appointment as evidenced by my employment and volunteering history. I created and implemented a program to assist students for MDUSD and Families first. This program was designed to support children with a 504 plan and partnering with a multidisciplinary team and I led this team for a decade. I also worked at a level-14 group home with an educational component to ensure foster children and their guardians advocated for their children's education rights. I currently supervise a team of four Family Advocates and seven Home Visitors that serve children and families prenatal-age five. Additionally, I also occupy a seat on the African American Holistic Wellness Hub steering committee as the primary voice for families with children preschool-high school aged. My past experience and appointment on the LPC have been rewarding and motivational as I continue this difficult but rewarding work.
