I am interested in serving on the African American Holistic Wellness and Resource Hub Transitional Community Advisory Body because I am deeply committed to uplifting and supporting the well-being of African American communities. As an African American professional with over 30 years of experience working in Social Services with Contra Costa County EHSD, I have dedicated my career to giving back. My professional background, lived experience, and passion for community empowerment motivate me to contribute meaningfully to the Advisory Body's mission and help strengthen holistic wellness resources for the African American community.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume with this application)**

---

For nearly half the time I have been employed by Contra Costa County, I have worked in offices based in the Black and Brown communities of North Richmond and Bay Point, where I assisted individuals and families with accessing public benefits, ongoing case management, securing housing, employment support, mental health referrals, and youth tutoring. For the past two years, I have worked as an EHSD Navigator, supporting individuals and families in crisis through a holistic, client-driven approach. In this role, I help clients access essential resources including housing, food, mental health services, medical and dental care, financial assistance, legal support, education, job training, employment opportunities, and services for seniors and adults with disabilities. The Navigator program focuses on breaking down barriers to services while empowering clients to build confidence, strengthen self-advocacy, and successfully navigate resources on their own.
