Terms and Conditions

INTRODUCTION:

1. NEGOTIATED CONTRACT. The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

GOVERNMENT TERMS:

2. REPRESENTATIONS & WARRANTIES. This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Products are essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; and (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement.

3. FUNDING. This provision is applicable to governmental entities only. You represent and warrant that all payments due and to become due during your current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the purchase/maintenance of the Products, and it is your intent to use the Products for the entire term and to make all payments required under this Agreement. If (1) through no action initiated by you, your legislative body does not appropriate funds for the continuation of this Agreement for any fiscal year after the first fiscal year and has no funds to do so from other sources, and (2) you have made a reasonable but unsuccessful effort to find a creditworthy assignee acceptable to Xerox in its sole discretion within your general organization who can continue this Agreement, this Agreement may be terminated. To effect this termination, you must, at least 30 days prior to the beginning of the fiscal year for which your legislative body does not appropriate funds, notify Xerox in writing that your legislative body failed to appropriate funds and that you have made the required effort to find an assignee. Your notice must be accompanied by payment of all sums then owed through the current year under this Agreement. You will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date).

SOLUTION/SERVICES:

4. COMPETITIVE REPLACEMENT PRODUCTS. You are acquiring the Products to replace the product(s) identified as "CRP" ("CRP Equipment"). You agree to return the CRP Equipment to your lessor no later than 60 days following installation of the Products that are replacing the CRP Equipment. Upon request, you will provide Xerox with documentation of such return.

5. SPECIALTY TONERS AND DRY INKS EXCLUDED FROM CONSUMABLE SUPPLIES. Notwithstanding anything to the contrary in the Agreement, Consumable Supplies exclude any toners and dry inks (and their associated developers) other than standard cyan, magenta, yellow and black.

6. RESPONSIBILITY FOR MEETING CERTAIN CUSTOMER REQUIREMENTS. You are solely responsible for fulfilling all of your obligations set forth in the Customer Expectations Document or Customer Expectation & Installation Guide, as applicable, for the Equipment executed by you contemporaneously with this Agreement, and which is deemed incorporated by reference into this Agreement ("CED/CEIG"), including, but not limited to, meeting all environmental, product space and power, media, and network connectivity requirements. In addition, the CED/CEIG and informational guides provided to you by Xerox set forth certain operator maintenance activities that you are responsible for performing at the intervals indicated therein. You may have Xerox perform, or assist in the performance of, any of these operator maintenance activities,

subject to the availability of Xerox certified technicians, upon your agreement to pay Xerox's then-prevailing service call rates.

7. EXTRA LONG PRINTS. The following Equipment model(s), IR120 may now, or in the future, have extra-long print capability, which is the ability to produce a print that is longer than 491mm. Maximum print length may vary by model. The meters for Equipment with extra-long print capability will register the following, as applicable: (i) for impressions greater than 491mm, up to and including 661mm, the Extra Long Impressions meter will register two (2) prints for each such extra-long print, in addition to registering one (1) print on either the Color Impressions meter (in the case of a color print) or the Black Impressions meter (in the case of a B&W print); (ii) for impressions greater than 661mm, up to and including 877mm, the Extra Long Impressions meter will register three (3) prints for each such extra-long print, in addition to registering one (1) print on either the Color Impressions meter (in the case of a color print) or the Black Impression meter (in the case of a B&W print); (iii) for impressions greater than 877mm, up to and including 1,083mm, the Extra Long Impressions meter will register four (4) prints for each such extra-long print, in addition to registering one (1) print on either the Color Impressions meter (in the case of a color print) or the Black Impression meter (in the case of a B&W print); and (iv) for impressions greater than 1,083mm, up to and including 1,299mm, the Extra Long Impressions meter will register five (5) prints for each such extra-long print, in addition to registering one (1) print on either the Color Impressions meter (in the case of a color print) or the Black Impression meter (in the case of a B&W print).

GENERAL TERMS & CONDITIONS:

11. REMOTE SERVICES. Certain models of Equipment are supported and serviced using product information that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to your network ("Remote Product Info") via electronic transmission to a secure off-site location ("Remote Transmission"). Remote Transmission also enables Xerox to transmit Releases of Software to you and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Product Info include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code information. Remote Product Info may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Product Info will be transmitted to and from you in a secure manner mutually agreeable to the parties. Remote Transmission will not allow Xerox to read, view or download the content of any of your documents or other information residing on or passing through the Equipment or your information management systems. You grant the right to Xerox, without charge, to conduct Remote Transmission for the purposes described above. Upon Xerox's request, you will (a) provide contact information for Equipment such as name and address of your contact and IP and physical addresses/locations of Equipment and (b) ensure that any Maintenance Release or Update released by Xerox to provide security patches, releases and/or certificates for the Remote Transmission and/or Software is promptly enabled by Customer upon notification by Xerox or by the Equipment or when otherwise made available on xerox.com. You will enable Remote Transmission via a method mutually agreeable to both parties, and you will provide reasonable assistance to allow Xerox to provide Remote Transmission. Unless Xerox deems Equipment incapable of Remote Transmission, you will ensure that Remote Transmission is maintained at all times Maintenance Services are being performed. If you are unable to maintain Remote Transmission, or if Xerox disables Remote Transmission from any Equipment at your request, or if you disable Remote Transmission from any Equipment, Xerox reserves the right to charge you a per device fee for such affected Equipment due to the increased service visits that will be required in order to (x) obtain such information, (y) provide such transmissions, and (z) provide such Maintenance Services and Consumable Supplies that otherwise would have been provided remotely and/or proactively.
