

# November 5, 2024 California General Election

*\*Final Results*

## Statewide Ballot Measures

**Proposition 2** *\$10 billion school construction & modernization bond* **PASS 58.7%**

Placed on the ballot by AB 247 (Muratsuchi), Chapter 81, Statutes of 2024. Would set forth the Kindergarten Through Grade 12 Schools and Local Community College Public Education Facilities Modernization, Repair, and Safety Bond Act of 2024 as a State general obligation bond act that would provide a specified amount to construct and modernize education facilities, including a specified amount for elementary and secondary educational facilities and a specified amount for community college facilities.

**Proposition 3** *Repeal Proposition 8 and establish a right to marry* **PASS 62.6%**

Placed on the ballot by ACA 5 (Low) Resolution Chapter 125 of 2023. Would provide that the California Constitution provides that only a marriage between a man and a woman is valid or recognized in California, and federal law permanently enjoins the State from enforcing this constitutional provision. Would repeal this unenforceable constitutional provision. Provides that the right to marry is a fundamental right.

**Proposition 4** *\$10 billion water, parks & environmental projects bond* **PASS 59.8%**

Placed on the ballot by SB 867 (Allen) Chapter 83, Statutes of 2024. Would enact the Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024, which, if approved by the voters, would authorize the issuance of bonds in the specified amount pursuant to the State General Obligation Bond Law to finance projects for, among other things, safe drinking water, drought, flood, water, wildfire and forest resilience, as well as climate-smart, sustainable and resilient farms, and clean air programs.

**Proposition 5** *Allow local housing & infrastructure bonds with 55% approval* **FAIL 45.0%**

Placed on the ballot by ACA 10 (Aguilar-Curry) Resolution Chapter 134 of 2024. Provides that ACA 10 would condition the imposition, extension, or increase of a sales and use tax, transactions and use tax, or a parcel tax by a local government for funding public infrastructure, affordable housing, downpayment assistance, or permanent supportive housing on that tax being approved by the governing board and its voters. Authorizes the Legislature, subject to a 2/3 vote, to impose additional conditions or restrictions on the acquisition or lease of real property for bonded indebtedness.

**Proposition 6** *Eliminates involuntary servitude for incarcerated persons* **FAIL 46.7%**

Placed on the Ballot by ACA 8 (Wilson) Resolution Chapter 133 of 2024. Would prohibit slavery in any form. Prohibits the Department of Corrections and Rehabilitation from disciplining any incarcerated person for refusing a work assignment. Would clarify that this measure does not

prohibit the Department of Corrections and Rehabilitation from awarding credits to an incarcerated person who voluntarily accepts a work assignment.

**Proposition 32** *Increase minimum wage to \$18 an hour* FAIL 49.3%

Existing law requires annual increases to California’s minimum wage until it has reached \$15.00 per hour for all businesses on January 1, 2023. This measure would extend these annual increases (\$1.00 per year) until minimum wage—currently, \$15.00 per hour for businesses with 26 or more employees, and \$14.00 per hour for smaller businesses—reaches \$18.00 per hour. Thereafter, as existing law requires, the minimum wage will annually adjust for inflation. In periods of decreased economic activity, or General Fund deficit, the Governor may suspend annual increase up to two times, thereby extending timeline for reaching \$18.00 per hour. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments

**Proposition 33** *Repeals Costa Hawkins Rental Housing Act* FAIL 40.0%

Current state law (the Costa-Hawkins Rental Housing Act of 1995) generally prevents cities and counties from limiting the initial rental rate that landlords may charge to new tenants in all types of housing, and from limiting rent increases for existing tenants in (1) residential properties that were first occupied after February 1, 1995; (2) single-family homes; and (3) condominiums. This measure would repeal that state law and would prohibit the state from limiting the right of cities and counties to maintain, enact, or expand residential rent-control ordinances.

**Proposition 34** *Spending Restrictions on Certain Health Care Providers* PASS 50.9%

Would require certain health care providers to spend 98% of revenues from federal discount prescription drug program on direct patient care. Would apply only to health care providers that: spent over \$100,000,000 in any ten-year period on anything other than direct patient care; and operated multifamily housing with over 500 high-severity health and safety violations. Would penalize noncompliance by revoking health care licenses and tax-exempt status. Permanently authorizes state to negotiate Medi-Cal drug prices on statewide basis.

**Proposition 35** *Provides permanent funding for Medi-Cal programs* PASS 67.9%

Would make permanent the existing tax on managed health care insurance plans, currently set to expire in 2026, which the state uses to pay for health care services for low-income families with children, seniors, people with disabilities, and other groups covered by the Medi-Cal program. Would require revenues to be used only for specified Medi-Cal services, including primary and specialty care, emergency care, family planning, mental health, and prescription drugs. Would prohibit revenues from being used to replace other existing Medi-Cal funding. Caps administrative expenses and requires independent audits of programs receiving funding.

**Proposition 36** *Allows increased penalties for theft & drug trafficking* PASS 68.4%

Would alloq felony charges for possessing certain drugs, including fentanyl, and for thefts under \$950—both currently chargeable only as misdemeanors—with two prior drug or two prior theft convictions, as applicable. Defendants who plead guilty to felony drug possession and complete treatment could have charges dismissed. Would increase sentences for other specified drug and theft crimes. Increased prison sentences may reduce savings that currently fund mental health and drug treatment programs, K-12 schools, and crime victims; any remaining savings could be used for new felony treatment program.
