The need for affordable housing in our county is great, and it is very difficult to finance and build. I have served since 2018 as the President of the Orinda Senior Village Foundation, which owns and operates the Orinda Senior Village. The Orinda Senior Village is a 150-unit senior low income apartment project. The residents are all low, or very low, income seniors, and since 1982, OSV has served over 1,000 residents. However, the need for senior affordable housing is great, and OSV currently has a five-year waiting list. To my knowledge, most of the other providers, of affordable housing in Contra Costa County also have extremely long, many times multiple years long, waiting list. At the same time, we knew that the cost of housing in the San Francisco Bay area is extremely high, and that with every increase, there are more community members who need affordable housing.

**Describe your qualifications for this appointment. (NOTE: you may also include a copy of your resume).**

In 2018, the Orinda Senior Village, created a sister organization, the Orinda Senior Housing Foundation, to build and operate a second senior affordable housing apartment project, the Vista Verde Community Housing Project. In the six years that I have served as President of OSHF, we have planned the design and construction of the building and grounds, completed design, received City approvals, selected a developer, selected a lender for construction and perm loans, and at this point are planning to break ground in early 2026. My work as President has generally involved working closely with the Project Manager, the Construction Manager, the affordable housing Financing Consultant, the attorneys, architects and contractors, other design professionals, the Asset Manager, and our mission partner, the Orinda Community Church. I have been involved with managing the professionals and consultants, working with the financing consultants to obtain construction and perm loan funding, coordinating with the Church and coordinating with the neighbors. I believe that my experience would be helpful to the Affordable Housing Finance Committee in evaluating requests for the allocation of public funding and development grants and making recommendations to the Board of Supervisors.
