^A FY 2024/25 SWAT budget and County contribution are estimates and subject to change. Jurisdictions are charged actual costs, which are identified at the end of the fiscal year.

^B The calculation for the Grand Total does not include the Contra Costa Transportation Authority CMA Budget figure. It is already included in the CCTA Total Budget.

^C County contribution to the Contra Costa Transportation Authority CMA Budget is an estimate and subject to change due to fluctuating federal and state revenue that offset local contributions.

^D SWAT member agencies were not billed in FY 2014/15.

^E TRANSPLAN had a sufficient carryover balance from FY 2013/14 to cover the FY 2014/15 budget.

^F No County contributions. TVTC budget is covered by a 1% administration set-aside in the sub-regional fee program.
