8. DISCUSS and APPROVE the 2026-27 Community Action mission and vision statements.

Castle-Barber reviewed the current vision and mission and shared examples of other statements. For the mission statement, the EOC preferred to use language about investing in the community rather than empowering. Focus on return on investment for addressing the root causes of poverty through funding and partnerships. The EOC liked the staff prompt for the vision statement and preferred to delete the word "creating" at the beginning. Thus, the approval was tabled.
