I'm very motivated, outspoken, charming, ambitious, creative and most importantly humble. I have a lot of experience with most of these issues growing up in the system as a vulnerable former foster child who faced many barriers to become a wholesome adult. I have a lot to offer by means of understanding, and a unique perspective when it comes to making bold changes. I am a leader in my community and have continued to break barriers in order to make the places I reside more inclusive for all citizens especially those who are underserved.
