

SPECIAL CONDITIONS
(Purchase of Services - Long Form)

Paragraph 18, **INDEMNIFICATION**, is deleted in its entirety and replaced with the following paragraph:

18. **Indemnification.** Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control to the limits of the Contractor's insurance. If requested by County, Contractor will defend any such suits at its sole cost and expense to the limits of the Contractor's insurance. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs to the limits of the Contractor's insurance. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.

Paragraph 25, **Copyrights, Rights in Data, and Works Made for hire.**, is deleted in its entirety and replaced with the following:

25. Copyrights, Rights in Data, and Works Made for Hire. Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of the County Administrator. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to County all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Agreement, without County's prior express written consent. If any of the works made for hire is subject to copyright protection, County reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, County reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.
